Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Be mindful of focusing solely on your problems. If you think hard enough, you'll likely find some solutions too.

TAURUS (April 20 to May 20)

If it's been difficult to get much sleep or rest lately, learning a new relaxation technique or meditation practice might offer you some relief.

GEMINI (May 21 to June 20)

It might become glaringly obvious that you've outgrown a certain friendship or social circle.

CANCER (June 21 to July 22)

Patience and perseverance will help you to overcome any obstacles you face today. Just remember to take time out to rest so you can regroup.

LEO (July 23 to Aug. 22)

Relying on the help of your network of people will enable you to bring one of your dreams to life.

VIRGO (Aug. 23 to Sept. 22)

There may be some serious decisions to make about your financial future. Seek expert advice.

LIBRA (Sept. 23 to Oct. 22)

It may be necessary to have a tough but essential conversation with someone. Being honest and direct with this person will yield the best outcome.

SCORPIO (Oct. 23 to Nov. 21)

Feeling overworked? Maybe it's time to scale back on how much you're doing.

SAGITTARIUS (Nov. 22 to Dec. 21)

It's an excellent time for a brainstorming meeting. Putting your head together with someone else's might unlock some new ideas.

CAPRICORN (Dec. 22 to Jan. 19)

Today can be useful for clearing out clutter in your space and getting rid of anything you no longer need or use.

AQUARIUS (Jan. 20 to Feb. 18)

Bringing a plan from start to finish isn't always easy, but if you believe in what you're doing, then the work will certainly be worthwhile.

PISCES (Feb. 19 to March 20)

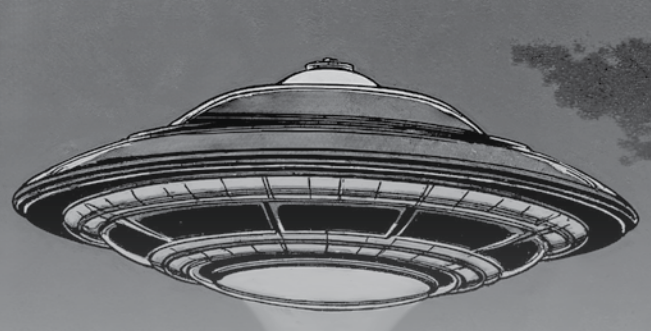

As your priorities begin to shift, don't be too surprised if what was once important to you isn't as significant or desirable anymore.

FOR TODAY'S BIRTHDAY

You're pleasant and good-natured. You have a magnetic personality that aids you in attracting the right people and opportunities. You're also a hard worker. You know how to keep cool under pressure and stay grounded when everything else is in chaos. You're creative and resourceful enough to handle whatever is thrown at you. You balance pragmatism with imagination by envisioning what you want, then following a well-crafted plan to get it. This year, although you might be dealing with uncertainty in your life, you may find yourself thriving in spite of it.

What's Happening? The Alberta government's Bill 28 threatens our libraries.

Why does this matter?

Government Overreach — Plain and Simple

Bill 28 removes control from local library boards and professionals and places it in the hands of a centralized provincial authority.

One Office or Person Could Control Your Library

A government-appointed official or "inspector" could inspect, intervene, and issue directives on how libraries operate, resulting in reduced materials and services.

Resources Diverted Away from Services

Up to **two-thirds of the Camrose library's collection** may require compliance review—pulling time and money away from programs, with no additional funding.

Privacy at Risk

Accessing materials may require government-issued ID, raising concerns about how your personal information is collected and stored.

A Solution Without a Problem

Libraries already have policies in place. This bill overrides existing policies that work.

This bill puts government between you and what you can read and access at the library. That should concern every Albertan.

**Let's Be Clear
Bill 28:**

**Expands government control
Weakens local decision-making
Risks limiting free access to information
It is unnecessary.
It is intrusive.
And it goes too far!**

Our Libraries, Our Communities

Public libraries belong to communities — not the government.

They are worth defending.
