## ARIES (March 21 to April 19)

Something that was unclear to you may become clear now.

## TAURUS (April 20 to May 20)

If you're feeling down about something, don't keep it to yourself. Talk to someone you trust.

## GEMINI (May 21 to June 20)

Expect to meet or connect with the right people at the right time. Synchronicity is at work.

## CANCER (June 21 to July 22)

Stay focused on your goals. You're nearing the finish line.

## LEO (July 23 to Aug. 22)

The moody energy in the air begins to dissipate, which should leave you feeling more optimistic and positive.

## VIRGO (Aug. 23 to Sept. 22)

If there's anyone who knows how to quickly get to the root of a problem and find out the answers, it's you. Do what you do you best.

## LIBRA (Sept. 23 to Oct. 22)

Sometimes it helps to get a second opinion. Bounce an idea off of a friend, co-worker or family member.

## PISCES (Feb. 19 to March 20)

## FOR TODAY'S BIRTHDAY

You don't sweat the small stuff. Your laidback, easygoing energy keeps you in tune with yourself and the people you love. Though, as peaceful as you are, you're still disciplined and dedicated. Integrity and consistency are very important qualities to you. As such, people often find you dependable and consider you a person of great character and depth. This year, you may realize that it's time to move on from something you've outgrown. Know that there's so much more still out there for you. All you need to do is give yourself permission to go and find it.

## Personalized Memorials

### *Your Story in Stone*

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
