Morning Giggle

My brother wants me to find him a summer job. He asked me to check with my boss, my friends, my business associates. Then he asked me to run off 100 copies of his resume, call up the employment agencies, and write an ad for the Positions Wanted section of the newspaper. I asked him what he wanted to call himself in the ad.

He said, "A self-starter!"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

You're called to retreat from all the noise so that you can find calm and clarity. Taking time out to do some soul-searching could show you the way forward.

TAURUS (April 20 to May 20)

You might discover that something you've wanted might not be what you want anymore. Maybe it's time to choose something different.

GEMINI (May 21 to June 20)

If you're not feeling fulfilled in your career, this could be your chance to move up or move on. On a similar note, you could be spotlighted for the important work that you've done.

CANCER (June 21 to July 22)

There can be a lot to worry about. Though, instead of overthinking about what could go wrong, what if you spent more time imagining what could go right?

LEO (July 23 to Aug. 22)

What should take priority in your life will be made crystal clear at this time.

VIRGO (Aug. 23 to Sept. 22)

A key relationship could reach make-it-or-break-it status. Take some space to decide what you wish to do.

LIBRA (Sept. 23 to Oct. 22)

A nudge from the cosmos could help you change habits that no longer work for you.

SCORPIO (Oct. 23 to Nov. 21)

If you've been craving more joy or passion in your life, you just might get your wish.

SAGITTARIUS (Nov. 22 to Dec. 21)

A home- or family-related matter might need to be addressed. A cool head will prevail.

CAPRICORN (Dec. 22 to Jan. 19)

There could be some exciting news hitting your inbox soon. It might be just what you need to shake things up!

AQUARIUS (Jan. 20 to Feb. 18)

A financial matter requires your attention. However, this could be the push you need to make some overdue changes.

PISCES (Feb. 19 to March 20)

You might feel called to go in a new direction with your life. Follow the path that feels most authentic to you.

FOR TODAY'S BIRTHDAY

You always have a funny story or a witty remark to share. You give great advice, too. While you might be open to trying new things, you prefer to stick to a trusted routine. It's one of the things that helps you stay grounded and composed. You possess an abundance of patience that enables you to stay cool, no matter the task or situation at hand. You only worry when you're faced with uncertainty or the inability to control outcomes. This year, whether you encounter an obstacle or an opportunity, know that you don't have to go at it alone.

BIRTHDATE OF

Jennifer Coolidge, actress; Jack Black, actor/musician; Shania Twain, singer-songwriter.

Today's Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

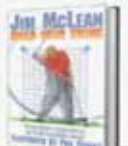

hook it!

The dreaded slice! Wanna get rid of it? **HOOK IT!** A slice curves out to the right because it has clockwise spin on it. So if you incorporate a swing move that imparts counterclockwise or hook spin to the ball, it will stop you from slicing. To do this: **1.** Align your body slightly right of a line that runs parallel to your target, while aligning the clubface square. **2.** Turn your hands slightly to the right on the grip, which will deliver the clubface to the ball in a slightly closed manner. **3.** Swing the club back and down along your body line. **4.** Allow your hands to turn over freely, ensuring the clubface is square or slightly closed at impact. These adjustments should produce a controlled hook that you can learn how to control.

Hook Your Slice!!

PREPLANNING A FUNERAL WITH WEBER FUNERAL HOME

To begin the process of preplanning we invite you to meet with our professional funeral directors by scheduling an appointment at our office or we can come to you at your home. We start each preplan with listening to your wishes and then we guide you with detailed information. We explain processes and procedures that happen at the time of death and offer advice for how to move forward. As part of the preplan, we talk about all the costs involved and record everything in detail for you file. By having valuable information recorded and in place ahead of time you are alleviating your family from having to make difficult decisions in the moment when they are experiencing the emotions of grief and loss.

We recognize that things in life can change. We pride ourselves in our professionalism and will easily transfer arrangements from our funeral home to another service provider. In some cases people have made preplanned and prepaid funeral arrangements with other funeral homes and may want to change providers. Weber Funeral Home will facilitate the transfer of preplans and prepaid contracts from other funeral service providers to Weber Funeral Home.

Some of the feedback we receive from families when the funeral has been prearranged:

- *"We are so glad that mom and dad had their arrangements planned ahead of time, we would have been lost with out it."*
- *"I can't believe how easy this was, I should plan my arrangements for my family too."*
- *"We were overwhelmed with where to begin, having this prearrangement gave us comfort in knowing dad gave us his guidance on what to do."*

Our experience as funeral directors has lead us to believe that prearranging your funeral is a gift to your family. For more information about how prepaid funerals or to discuss preplanning, please contact our office by calling 780-672-3131 to set an appointment. You are welcome to come to our office or we can schedule a time for us to come to your home. We also provide an online prearrangement form on our website or you can stop by our office for a free service guide.
