The arithmetic teacher had written 10.9 on the blackboard and had then rubbed out the decimal point to show the effect of multiplying this number by ten.

"Little Johnny," the teacher asked, "where is the decimal point now?"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Beware of being close-minded. Open yourself up to other possibilities or options.

TAURUS (April 20 to May 20)

It could be hard to keep a lid on pent-up feelings. Seek a helpful outlet for releasing these emotions.

GEMINI (May 21 to June 20)

Sometimes it's necessary to delegate tasks to others or turn down an opportunity, particularly if your schedule is too full.

CANCER (June 21 to July 22)

What you want is within reach; it might just take a little longer to get it. Stay positive.

LEO (July 23 to Aug. 22)

Today could be stressful. Make time for joy and fun.

VIRGO (Aug. 23 to Sept. 22)

It may help to take your time with a decision rather than rushing into it.

LIBRA (Sept. 23 to Oct. 22)

Don't leave it up to others to guess at what you want. Verbalize it or put it in writing instead. This way, the message is clear.

SCORPIO (Oct. 23 to Nov. 21)

Prioritize what's important so that you don't waste time on trivial matters or unnecessary stuff.

SAGITTARIUS (Nov. 22 to Dec. 21)

Focus on what you can control instead of what you can't.

CAPRICORN (Dec. 22 to Jan. 19)

You're in need of some quality time with yourself. If you can afford to put a few people on hold so that you can have this time, do it.

AQUARIUS (Jan. 20 to Feb. 18)

Teaming up with others instead of taking a do-it-yourself approach will be one of the most productive things you can do today.

PISCES (Feb. 19 to March 20)

You may feel like quitting, but stick with your goals. You're almost there. You might just need to switch up your approach.

FOR TODAY'S BIRTHDAY

You've got guts! You're not afraid to step outside your comfort zone, and you encourage others to do the same. You have an insatiable appetite for anything that's fun, challenging, or a combination of the two. At the same time, patience is not your strong suit. If there's something you want, you rush toward it with no hesitation. However, there will be times when you'll need to be careful of being too hasty. This year, as you think about what you'd like to do next, keep in mind that it's all about the journey and not so much the destination.

Bailey Theatre News

The Bailey Theatre Society is launching its new fundraising initiative:

BOOST THE BALCONY

The seats in our balcony are in need of replacement as they are beyond repair. Theatre seating, unlike fine wine, doesn't get better with age, and these seats are past their best before date. The current balcony seats were in Edmonton's Citadel Theatre, which opened in 1975. When they were replaced in 2007, the Citadel gave permission to the Bailey volunteers to choose and remove the best ones. They were stored and later installed in 2010. These 50-year-old seats are 25 years past the normal life expectancy.

A Canadian manufacturer has provided a quote to supply and install new seats, complete with cup holders. All totalled, the project will cost \$96,000. That's where you come in. Help us restore the balcony. Help us continue to make the Bailey Theatre a sparkling jewel in the heart of Camrose. More than 10,550 people came to the Bailey in the past year. Most of them had a "wow" moment as they entered the doors. We want to continue providing "wow" moments for those who visit us. Please consider making a pledge, no matter how small, to Boost the Balcony. Your help is appreciated.

WEBER FUNERAL HOME

#2 Mount Pleasant Drive, Camrose, Alberta

Happiness shared is happiness increased. Grief shared is grief diminished.

A major purpose of having a funeral service is to allow a specific time and place for the community to gather and share, thereby allowing the family to receive the support of the community.

Our on-site reception centre is a multipurpose facility that allows for gatherings of any kind, whether formal or casual.
