# Your Horoscope

by Mecca Woods

**ARIES (March 21 to April 19)**

Don't get too hung up on outcomes right now. Just keep working toward your goal.

**TAURUS (April 20 to May 20)**

Instead of taking matters into your own hands, why not make it a collaborative effort with someone who's trustworthy?

**GEMINI (May 21 to June 20)**

If you want to make a positive impression on others, a straightforward approach will work best. Be yourself!

**CANCER (June 21 to July 22)**

Give yourself time to sit with a potential decision before acting on it.

**LEO (July 23 to Aug. 22)**

Teaming up with others on a project or goal can be useful. Make sure that you have the right people for the job, though.

**VIRGO (Aug. 23 to Sept. 22)**

Delegating might be tough to do, but it's something that you can -- and must -- learn.

**LIBRA (Sept. 23 to Oct. 22)**

You might be busy helping others today. However, try to do something good for yourself.

**SCORPIO (Oct. 23 to Nov. 21)**

Pay close attention to what your heart is telling you and where it is guiding you.

**SAGITTARIUS (Nov. 22 to Dec. 21)**

It takes a lot of courage to be vulnerable, but today it seems like you're up for the challenge!

**CAPRICORN (Dec. 22 to Jan. 19)**

You need to do less instead of more. Which plans or commitments can you afford to clear from your schedule today?

**AQUARIUS (Jan. 20 to Feb. 18)**

What you want is within reach. You're going to have to work for it, though.

**PISCES (Feb. 19 to March 20)**

Beware of going out of your way to make others happy. Focus on your own happiness instead.

**FOR TODAY'S BIRTHDAY**

There's a strong chance that you can achieve whatever you dream about. You're creative, passionate and versatile. You might have several talents or skills because of your diverse interests and experiences. Your chameleonlike nature enables you to make the most of any situation that you're in. You have an effortless charm that people either adore or envy. However, you would never let the haters get to you for too long. This year, there may be a larger focus on your home and family life as you strive to strengthen what makes you feel safe and secure.

# IMAGINE. EXPERIENCE. CELEBRATE.

## CELTIC FUSION & 20 YEARS OF GROOVE: Delhi 2 Dublin's Anniversary Bash on St. Paddy's Day!

For nearly two decades, Delhi 2 Dublin has been at the forefront of South Asian fusion music, pioneering a global bass sound they call "Subcontinental Pop"—a high-energy blend of Bhangra, electronic, hip-hop, reggae, and Celtic influences that defies genre and unites dance floors worldwide. As they approach their monumental 20th anniversary in 2026, the band is re-energized, re-inspired, and ready to launch a bold new chapter, creating fresh music for the first time in six years. Founding members Sanjay Seran and Ravi Binning continue to lead the charge, pushing Delhi 2 Dublin's sound and vision to new heights.

What began as a one-night collaboration at Vancouver's Celtic Fest in 2006 quickly evolved into a global phenomenon, lighting up stages at Electric Forest (USA), Glastonbury (UK), Burning Man (USA), Bali Spirit Festival (Indonesia), and Woodford Folk Festival (Australia), among

many others. Their music has taken them around the world, from the clubs of Mumbai to the deserts of Nevada, earning them a reputation for delivering "90 minutes of freebasing joy" at every show. For over a decade, violinist Serena Eades has been a driving force in the band, her electrifying performances and deep musicality adding a rich melodic layer to Delhi 2 Dublin's ever-evolving sound.

Now, with fresh energy coursing through their veins, Delhi 2 Dublin welcomes producer, keyboardist, and tabla player Kal Mattu, who brings a renewed vibrancy to their ever-evolving sound. This infusion of talent, combined with their signature fusion of hypnotic dhol, deep bass, and euphoric hooks, ensures their next chapter will be as boundary-breaking and high-energy as ever.

With a discography that includes critically acclaimed albums like Planet Electric (2010), Turn Up The Stereo (2012), and We're All Desi (2015), Delhi 2 Dublin has consistently pushed the boundaries of South Asian music. Their 2019 album, We Got This, produced by Juno Award-winning Gavin Brown, marked a major milestone, earning commercial radio play for the song "My People." Their innovative approach has secured top spots on international world music charts, millions of streams, multiple Western Canadian Music Awards, and recognition from major platforms like CBC Music, BBC Asian Network, and PBS.

New music is on the horizon and the festival season promises to be bigger than ever, Delhi 2 Dublin is set to remind the world why they've

remained at the top of the global bass music scene for two decades. The party isn't slowing down—it's just getting started.

## Why a Funeral?

Funeral ceremonies can make a significant difference in how families channel their grief towards health and healing. During the funeral, the community comes together and responds to the reality that someone has died, and also to the reality that those remaining will need support, compassion, love, hope and understanding.

Our dedicated and experienced staff are here to help you in planning and carrying out a meaningful funeral that is unique to your families needs and values. Our funeral directors are intimately familiar with the funeral planning process, and key decisions a grieving family must make during this difficult time.
