# Your Horoscope

by Mecca Woods

**ARIES (March 21 to April 19)**

Maybe you need to take some space from everyone so you can clear your mind.

**TAURUS (April 20 to May 20)**

You have your own approach for getting things done, but it might not be the best approach at this time. Teaming up with others can help you find a better solution.

**GEMINI (May 21 to June 20)**

Now isn't the time to improvise or make it up as you go. You need either a plan or more preparation.

**CANCER (June 21 to July 22)**

If someone has upset you, be honest and let them know what's up rather than just giving them the cold shoulder.

**LEO (July 23 to Aug. 22)**

Take a pause before you react to a heated or uncomfortable situation. Give yourself a moment to figure out the right strategy.

**VIRGO (Aug. 23 to Sept. 22)**

Before you give up or quit in frustration, see if there's someone who's willing to help you.

**LIBRA (Sept. 23 to Oct. 22)**

You might not be very motivated today. Try to get as much done as possible by the midafternoon so you can relax later.

**SCORPIO (Oct. 23 to Nov. 21)**

Be mindful of letting people push your buttons today. Seek joy instead.

**SAGITTARIUS (Nov. 22 to Dec. 21)**

Beware of making rash decisions. Take more time to reflect. Pay more attention to your intuition.

**CAPRICORN (Dec. 22 to Jan. 19)**

Don't be so proud or so stubborn that you're unable to receive assistance or feedback from others. There's a reason why you shouldn't do everything yourself.

**AQUARIUS (Jan. 20 to Feb. 18)**

If you're feeling irritable or moody, it's probably a sign that you're in need of some extra nourishment and care.

**PISCES (Feb. 19 to March 20)**

Instead of worrying about what could go wrong, try envisioning what could go right.

**FOR TODAY'S BIRTHDAY**

You envision what you want to build or create, and you work to make it real. You know the power that your imagination holds, and when you put it to good use, you can make something magical. Any time that you've been told that you can't do something, you've probably figured out a way to do it anyway. You don't believe in living a life with limitations or restrictions. You want to live your life to the fullest. For this year, your mission is to find and experience as much joy as you possibly can.

**BIRTHDATE OF:** Kate Mara, actress; Rozonda "Chilli" Thomas, singer-TV personality; Josh Groban, singer-songwriter.

## Why a Funeral?

Funeral ceremonies can make a significant difference in how families channel their grief towards health and healing. During the funeral, the community comes together and responds to the reality that someone has died, and also to the reality that those remaining will need support, compassion, love, hope and understanding.

Our dedicated and experienced staff are here to help you in planning and carrying out a meaningful funeral that is unique to your families needs and values. Our funeral directors are intimately familiar with the funeral planning process, and key decisions a grieving family must make during this difficult time.

May the peace that comes  
from the memories of love  
shared, comfort you now and  
in the days ahead.
