JEANNE & PETER Loughheed
 PERFORMING ARTS CENTRE

ARIES (March 21 to April 19)

Be mindful of overidentifying with work or your achievements. Love, family, and your spiritual and emotional well-being are just as important.

TAURUS (April 20 to May 20)

Progress may be slower than you might like. If you want to lower your frustration, avoid creating rigid timelines or expectations.

GEMINI (May 21 to June 20)

Think twice about locking yourself into an agreement or obligation. Leave yourself some wiggle room.

CANCER (June 21 to July 22)

Attempting to control others and their actions is an exercise in futility. Free yourself of this burden.

LEO (July 23 to Aug. 22)

Recognize when it's time to move on or let go of something that is no longer sustainable or doable.

VIRGO (Aug. 23 to Sept. 22)

When people appreciate you for you, not just because of what you do for them, it's a sign of true friendship.

LIBRA (Sept. 23 to Oct. 22)

If you want to effect progress or change, lead by example.

SCORPIO (Oct. 23 to Nov. 21)

You may be attempting to do too much with too little time. Take it easy.

SAGITTARIUS (Nov. 22 to Dec. 21)

Avoid adding more expenses to your budget if you can help it. If it's not a necessity, try to do without it for now.

CAPRICORN (Dec. 22 to Jan. 19)

Refrain from getting into petty squabbles or power struggles. Try to be more open-minded or understanding toward others.

AQUARIUS (Jan. 20 to Feb. 18)

When you do something with kindness or compassion, you increase the amount of good in the world.

PISCES (Feb. 19 to March 20)

Try not to worry too much about achievements or results. For now, go with the flow!

FOR TODAY'S BIRTHDAY

You enjoy staying busy. You also enjoy anything that feeds your hungry mind. As a wise and thoughtful person, others often seek your savvy advice, support, and effective problem-solving abilities. While you pride yourself on your ability to hold your own, one of your lessons in this life is how to ask for help when you need it and allowing yourself to receive the help when it arrives. This year, as you take time to get clear on what matters (and what doesn't) at this stage of your life, you can create more ease and comfort for yourself.
