Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

When you use your talents to support a team, community or group that you're a part of, everyone wins, including you!

TAURUS (April 20 to May 20)

Be brave enough to take a risk or step outside your comfort zone. It could lead to a profitable opportunity.

GEMINI (May 21 to June 20)

Stick to your principles, even if you're afraid that it will make you unpopular. At the very least, you will feel good about yourself.

CANCER (June 21 to July 22)

The morning will be useful for catching up with people. Save any solo activities for the afternoon when you're ready to sequester yourself away.

LEO (July 23 to Aug. 22)

Flexibility is the key to making the day go smoothly, whether you're working alone or with other people.

VIRGO (Aug. 23 to Sept. 22)

There could be an opportunity to mentor others or be mentored. Either way, it can be a beneficial experience.

LIBRA (Sept. 23 to Oct. 22)

Don't let the negative vibes in the air bring you down. Seek out hope, joy and inspiration. Engaging with creativity might be one place to start.

SCORPIO (Oct. 23 to Nov. 21)

If you're on the fence about ending a relationship, you will soon have the answers or clarity needed to decide.

SAGITTARIUS (Nov. 22 to Dec. 21)

Are there any tasks on your schedule that you can afford to delegate to someone else? Utilize the power of people.

CAPRICORN (Dec. 22 to Jan. 19)

Now's the time to move forward with a creative project. It could be financially rewarding for you.

AQUARIUS (Jan. 20 to Feb. 18)

Let go of any self-doubt that you might be feeling today. You are as great as you think you are.

PISCES (Feb. 19 to March 20)

Embrace new experiences! You're a lot more courageous than you might think.

FOR TODAY'S BIRTHDAY

When you know you're right, there's very little that can change your mind or dissuade you from your actions. As is often the case, you're usually light years ahead of the curve, which gives you the ability to intuit or create what's next before it becomes popular. This gift is usually why you're at the forefront of innovative, original or avant-garde work. This year, you're undergoing both a creative and personal renaissance. No matter if you're just starting out or making a comeback, you're about to do big things!

Why a Funeral?

Funeral ceremonies can make a significant difference in how families channel their grief towards health and healing. During the funeral, the community comes together and responds to the reality that someone has died, and also to the reality that those remaining will need support, compassion, love, hope and understanding.

Our dedicated and experienced staff are here to help you in planning and carrying out a meaningful funeral that is unique to your families needs and values. Our funeral directors are intimately familiar with the funeral planning process, and key decisions a grieving family must make during this difficult time.
