## Morning Giggle

One night a husband and wife were sleeping and suddenly the wife woke up.

"Honey, wake up! I think there's a burglar down-stairs, and it sounds like they're eating the cake I made!" said the wife.

Half asleep, the husband answers, "So should I call the police or the ambulance?"

# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

You'll find the day beneficial for hosting or attending an event. If you want to connect with others via social media, it's a good time for this, too.

## TAURUS (April 20 to May 20)

Use today for advancing your career or for pitching a project. Today is also useful for gaining the recognition of someone you want to impress.

## GEMINI (May 21 to June 20)

There's much you can learn by connecting with people from different cultures or parts of the globe.

## CANCER (June 21 to July 22)

Your sixth sense will prove to be useful, especially when it comes to understanding how to connect with others.

## LEO (July 23 to Aug. 22)

It's a great day for doing collaborative work. If you have a long-term partner, it's also good day to discuss plans for the future.

## VIRGO (Aug. 23 to Sept. 22)

Although there may be lots of work to get done, today should be a breeze. The routine that you've put in place will help you the most.

## LIBRA (Sept. 23 to Oct. 22)

Take a chance on a new experience. Visit a new place. Find art, literature or music that speaks to you.

## SCORPIO (Oct. 23 to Nov. 21)

Schedule some cozy quality time with someone you love.

## SAGITTARIUS (Nov. 22 to Dec. 21)

The lines of communication are open. If there's an important discussion to have, now's your chance.

## CAPRICORN (Dec. 22 to Jan. 19)

Looking for a new job? Today may yield a promising opportunity. Working on your wellness? It's a good time for making healthy changes.

## AQUARIUS (Jan. 20 to Feb. 18)

The confidence that you put in yourself will pay off handsomely. Believe in yourself!

## PISCES (Feb. 19 to March 20)

Don't feel guilty if you need to take it slow today. Try and get some extra rest if possible.

## FOR TODAY'S BIRTHDAY

You adhere to your own rules, and you refuse to mindlessly follow what others say or do. You think for yourself, and you question everything. When you're locked in on a goal, you don't allow anything or anyone to distract you from reaching it. You can be free-spirited, but follow-through and commitment are extremely important to you. You keep your word and expect others to do the same. Some people may call you cold or aloof, but this is because you don't try too hard to impress others. This year, get ready to take your place in the winner's circle!

# IMAGINE. EXPERIENCE. CELEBRATE.

Canadian Icon and JUNO Winner, Hawksley Workman Performs Live February 21 in Camrose!

Performing over a thousand shows world-wide, Hawksley has headlined prestigious venues like Massey Hall and The Olympia in Paris. For a uniquely Canadian artist Hawksley has built loyal fan bases in the UK, France, Norway and Australia launching many successful tours, demystifying and delighting fans while drawing on an enviable catalogue of mischievous favourites, glammy stompers and heartfelt hymns to small town Canada.

**When: February 21, 2026 at 7:30PM**

**Where: Jeanne & Peter Lougheed  
Performing Arts Centre; Cargill Theatre**

Hawksley Workman is a JUNO Award-winning and Gold Record certified singer-songwriter and multi-instrumentalist. Since his ground-breaking self-produced indie debut *For Him and The Girls* (1999) through to chart-topping singles of 2020, Hawksley has careened between major label international smash hits to Canadiana soaked indie releases. Boasting a catalogue of 17 solo records, Hawksley's genre defying style strings together folk, chart pop and irrepressible cabaret. His show-stopping vocals on songs about weather, love, heartbreak and tales of end-times have garnered him a league of devoted fans.

## **Make your diet less inflammatory**

Jessica Bunch, BS

**Q: How can I make my diet less inflammatory?**

A: While there isn't one specific anti-inflammatory diet, experts say overall healthy eating patterns may reduce inflammation. To make your diet less inflammatory, focus on whole, nutrient-dense foods and reduce pro-inflammatory foods. Here are a few steps to try.

### **More anti-inflammatory foods**

1. Fruits and vegetables include berries, leafy greens, carrots and bell peppers.
2. Healthy fats include omega-3 fatty acids found in fatty fish (salmon, sardines), walnuts, flaxseeds and extra-virgin olive oil.
3. Nut and seed examples include almonds, walnuts, pumpkin seeds and sunflower seeds.

### **Reduce/avoid pro-inflammatory foods**

1. Refined carbohydrates and added sugars include sugary drinks, pastries, white bread, and many packaged snacks.
2. Ultra-processed foods are typically high in additives, preservatives, and unhealthy fats.
3. Red and processed meats include bacon, sausage, hot dogs and deli meats.

**Grief shared is grief diminished. When we experience the loss of a loved one, it is important for family, friends and community to come together and support one another. When we deny ourselves the opportunity to experience the support of the community, we add to the burden of grief by causing ourselves to journey through the pain of loss alone.**

**Our funeral directors have over 85 years of combined experience providing funeral services. We pride ourselves in our exceptional level of service and attention to detail. Our funeral home offers a chapel and an on-site multipurpose reception centre, that can be used for any gathering. For more information, please contact our office.**
