Morning Giggle

A Scout Master was teaching his boy scouts about survival in the desert. "What are the three most important things you should bring with you in case you get lost in the desert?" he asked.

Several hands went up, and many important things were suggested such as food, matches, etc. Then one little boy in the back eagerly raised his hand.

"Yes Timmy, what are the three most important things you would bring with you?" asked the Scout Master.

Timmy replied: "A compass, a canteen of water, and a deck of cards."

"Why's that, Timmy?"

"Well," answered Timmy, "the compass is to find the right direction, the water is to prevent dehydration..."

"And what about the deck of cards?" asked the Scout Master impatiently.

"Well, sir, as soon as you start playing Solitaire, someone is bound to come up behind you and say, 'Put that red nine on top of that black ten!'"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Creativity can be a powerful tool for managing or working through difficult emotions. Paint, write, sing, dance -- choose whatever speaks to you.

TAURUS (April 20 to May 20)

There may be lots of demands on your time right now. However, not everything is a top priority. Your homework is to identify what is and what isn't important.

GEMINI (May 21 to June 20)

Don't hold yourself back by overthinking every possible outcome of a decision or plan. You won't know if it'll work unless you take a chance.

CANCER (June 21 to July 22)

Don't shy away from the spotlight; embrace it. Be proud of who you are. Your talent deserves to be seen!

LEO (July 23 to Aug. 22)

Your job isn't to always fix or solve someone else's problems. There may be other people who are better suited for this kind of work.

VIRGO (Aug. 23 to Sept. 22)

There's a strong chance that what might have worked in the past won't work now. It's time to try something new.

LIBRA (Sept. 23 to Oct. 22)

The best way to bridge the gap between your head and your heart is by choosing what's most meaningful to you.

SCORPIO (Oct. 23 to Nov. 21)

A new opportunity may be available soon. You should definitely look into it!

SAGITTARIUS (Nov. 22 to Dec. 21)

It's time to get back into the practice of meeting new people and forging new relationships. Expand your world!

CAPRICORN (Dec. 22 to Jan. 19)

Beware of mindlessly chasing goals. Just because you can do something doesn't always mean you should.

AQUARIUS (Jan. 20 to Feb. 18)

There are people out there who'll get you. Those who don't -- well, don't worry too much about them. The right people will find you.

PISCES (Feb. 19 to March 20)

What's one change you can make today that can help contribute to your personal growth?

FOR TODAY'S BIRTHDAY

You're sentimental and thoughtful. You enjoy creating magical moments for the people you love. You're creative, too. You can also create magical moments for others through your artistry or imaginative thinking. While you might be cautious about letting people into your inner circle or sharing your private life, you're brave enough to take risks to accomplish your biggest goals. This year, lean into the spirit of passion and adventure. Your courage will be rewarded!

THE MORNING BITE

Yogurt Cake

Prep time: 30 min

Cook time: 45 min

Servings: 15-20

Ingredients

300 g flour

180 g sugar

3 eggs

120 g butter

200 yogurt (raw or flavoured)

Instant yeast

Powdered sugar (optional)

100 g fruit of your choice (optional)

Directions

Beat the yolks with the sugar.

Add the butter and stir until uniform.

Add the flour. You may sieve it to prevent lumps. Stir until uniform.

Add the yogurt and stir until uniform.

Beat the albumens in another bowl, then add them to the compound and stir until uniform.

The compound should now be thick, but still liquid enough to be poured. If it's too thick, you may adjust it by adding yogurt or milk.

Add the yeast and stir.

Pour into a mould. If you want to add fruit, cut it to small pieces or slices and add it after 2/3 of the compound, then cover with the remaining. Alternatively, you may add it on top: it will sink during cooking.

You may now sprinkle powdered sugar on top, to create a thin, sweet crust
Cook in pre-heated oven at 180 °C. This will take about 45 minutes, but start checking frequently after 30.
