Morning Giggle

I've started growing herbs in my garden.

To help identify them I'm growing them in alphabetical order.

My neighbour asked me, "How do you find the time?"

I said, "Easy, it's right here next to the sage."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Learning from the past will be more rewarding instead of ruminating on it.

TAURUS (April 20 to May 20)

There may be a need for a heart-to-heart with someone who's close to you. Today is a good time to broach the subject.

GEMINI (May 21 to June 20)

An issue concerning your job or money may be close to a resolution.

CANCER (June 21 to July 22)

Expect to find the opportunity that you need to move forward with a plan or goal.

LEO (July 23 to Aug. 22)

Pay close attention to your intuition. Let it be your guide.

VIRGO (Aug. 23 to Sept. 22)

Now's a good time to ask for a favor from your friends or for support from your community. People will be more than happy to help you.

LIBRA (Sept. 23 to Oct. 22)

You've got the green light now, which should help a stalled project or an overdue discussion to start moving again.

SCORPIO (Oct. 23 to Nov. 21)

You might have an experience or conversation today that affirms what you've been thinking or reminds you that you're on the right path.

SAGITTARIUS (Nov. 22 to Dec. 21)

If you've been doing more than your fair share of work, today encourages you to take a step back and rest.

CAPRICORN (Dec. 22 to Jan. 19)

Today will be helpful for finalizing the details for any agreement or contract before giving it your full approval.

AQUARIUS (Jan. 20 to Feb. 18)

Taking care of the little, nagging, unfinished tasks that you've been putting off will give you peace of mind and more free time.

PISCES (Feb. 19 to March 20)

A creative idea you keep thinking about is probably one that you should start working on as soon as you can.

FOR TODAY'S BIRTHDAY

You're warm, funny, and full of life. You don't shy away from the spotlight, and you certainly won't run away from a challenge. You've got enough heart to be a leader and an innovator. You're powerful enough to overcome just about any obstacle that you might face. You're straightforward and genuine, and you don't worry too much about what others might think of you. You live and express yourself without asking for permission. You teach people the value of being daring and bold. This year brings more levity into your life. Happiness is possible!

BIRTHDATE OF: Daniel Radcliffe, actor; Marlon Wayans, actor/comedian; Woody Harrelson, actor/playwright.
