Morning Giggle

A spinster of 92 finally consented to go to a retirement community, but strictly on a two-week trial basis. Consequently, she took a small overnight case with only the bare essentials.

The next day, her niece was surprised to get a phone call from her demanding more clothes.

"Please bring me that good black silk, my lavender print, the brown wool..." the list went on and on.

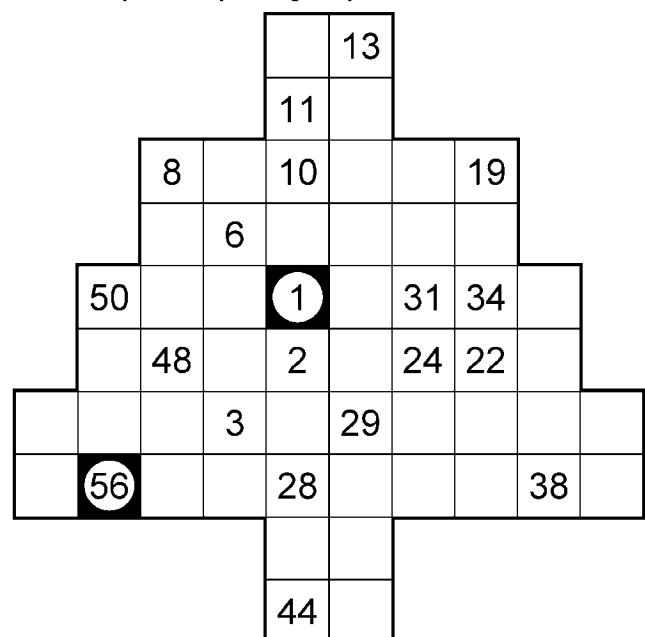

Finally, the niece asked, "What changed your mind about staying at the retirement community?"

The dear old lady responded: "There are MEN in this place!"

AUG 16th 

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Don't be so resistant to asking for help or partnering up with others, especially if it means making life easier for you and them. Pick the win-win option.

TAURUS (April 20 to May 20)

Today can be productive for catching up on work and handling unfinished business. Avoid adding anything more to your to-do list if possible.

GEMINI (May 21 to June 20)

It can be useful to revisit creative ideas you've had in the past. You may find a renewed purpose for them.

CANCER (June 21 to July 22)

It might be time to let go of something that you've been holding onto for too long. Perhaps it's negative feelings or junk you no longer need.

LEO (July 23 to Aug. 22)

There may be information brought to your attention that you didn't have before. Consider this an opportunity to address or correct the issue at hand.

VIRGO (Aug. 23 to Sept. 22)

Embrace change, even if you're not exactly sure where you're headed. Trust that you're on the right track.

LIBRA (Sept. 23 to Oct. 22)

You might experience a surge of enthusiasm that rekindles your interest in pursuing a goal you've put off.

SCORPIO (Oct. 23 to Nov. 21)

Sometimes a project is salvageable, and sometimes it's best to scrap it and move on. Today it might be the latter.

SAGITTARIUS (Nov. 22 to Dec. 21)

You could benefit from taking a class that helps you brush up on what you know, like a foreign language course or a history lesson.

CAPRICORN (Dec. 22 to Jan. 19)

Take time to review your investments, estate plans or emergency preparedness. Are there any changes or updates you need to make?

AQUARIUS (Jan. 20 to Feb. 18)

Being open and honest with others can help diffuse a potential misunderstanding.

PISCES (Feb. 19 to March 20)

If certain habits are no longer working for you, perhaps it's time to adopt some that will.

FOR TODAY'S BIRTHDAY

You're outspoken and self-assured. If there's a problem or conflict, you address it head-on. While you prefer to take the lead and run the show thanks to your iron will and enterprising spirit, be mindful of commandeering projects and refusing help from others. You're a star, but making space for others to shine won't steal your glow; it can actually make it brighter. In a sea of overly self-involved people, you can stand out by being the exception. This year, prioritize connection and camaraderie over a "lone wolf" mindset.

These shrimp tacos have the perfect blend of spicy heat and cool creaminess

Carolyn Casner

Give juicy shrimp tacos a Cajun flavor spin with spices and a quick sear on a hot grill. An easy avocado mash adds creaminess to cool off the spicy kick.

Grilled Blackened Shrimp Tacos (Serves 4)

Active Time: 20 minutes

Total Time: 20 minutes

- 1 ripe avocado
- 1 tablespoon lime juice
- 1 small clove garlic, grated
- 1/4 teaspoon salt
- 1 pound large raw shrimp (16-20 count), peeled and deveined
- 2 tablespoons salt-free Cajun spice blend
- 8 corn tortillas, warmed
- 2 cups iceberg lettuce, chopped
- 1/2 cup fresh cilantro leaves
- 1/2 cup prepared pico de gallo

1. Preheat grill to medium-high.
2. Mash avocado with a fork in a small bowl. Add lime juice, garlic and salt and stir to combine.
3. Pat shrimp dry. Toss the shrimp with Cajun seasoning in a medium bowl. Thread onto four 10- to 12-inch metal skewers. Grill, turning once, until the shrimp are just cooked through, about 4 minutes total.
4. Serve the shrimp in tortillas, topped with the guacamole, lettuce, cilantro and pico de gallo.

Personalized Memorials

Your Story in Stone

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
