Morning Gigue

When my three-year-old son opened the birthday gift from his grandmother, he discovered a water pistol. He squealed with delight and headed for the nearest sink.

I was not so pleased. I turned to Mom and said, "I'm surprised at you. Don't you remember how we used to drive you crazy with water guns?"

Mom smiled and then replied, "Oh, I remember!"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Trust your gut, but take time to gather the facts.

TAURUS (April 20 to May 20)

Something you're worried about may not be as bad as you think. You have what it takes to handle it.

GEMINI (May 21 to June 20)

You may not get what you want today, but it may not necessarily mean that you won't get it at all.

CANCER (June 21 to July 22)

You may not feel so sure of yourself today. Don't feel pressured to try and be something you're not.

LEO (July 23 to Aug. 22)

Now's not the time to rush into new projects or commitments. Don't worry, you're not missing out on anything.

VIRGO (Aug. 23 to Sept. 22)

Exercising strong boundaries with others will save you unnecessary stress.

LIBRA (Sept. 23 to Oct. 22)

Honesty is the key to clearing up any confusion or managing false expectations.

SCORPIO (Oct. 23 to Nov. 21)

Be realistic about how much you can get done or completed. Try not to promise more than you can deliver.

SAGITTARIUS (Nov. 22 to Dec. 21)

Don't gamble with your heart or your money. Be protective of your assets.

CAPRICORN (Dec. 22 to Jan. 19)

You may need to spend some time in your own bubble today. Make self-care a priority.

AQUARIUS (Jan. 20 to Feb. 18)

The day may not go as planned. Stay calm. Sometimes a detour is necessary.

PISCES (Feb. 19 to March 20)

Hold fast to your values and standards. Don't settle.

FOR TODAY'S BIRTHDAY

You're a tender soul. However, you're no pushover. You hold firm to your principles, and you don't back down from a fight. You often achieve the goals that you set for yourself because you don't quit easily. You're also very creative. As someone who has an appreciation for the past, you're the one who will most likely continue family traditions or keep a treasured set of mementos. You just need to be mindful of letting nostalgia keep you from living in the now. This year, it may be time to say goodbye to things that no longer fit into your life so that you can make way for something new.

BIRTHDATE OF: Frances McDormand, actress; Randy Jackson, musician/television personality; Jason Mraz, singer-songwriter.

There are many different ways to begin the planning ahead conversation. For some families, it might be a casual conversation over dinner or a family gathering. For other families, a formal meeting might be better suited.

Benefits of Pre-Planning

- **Peace of mind** - Pre-planning takes the burden of making important decisions off your loved ones during a difficult time.
- **Longevity** - Pre-planning your funeral will make certain that your choices are respected and carried out, without leaving your family to wonder what your wishes may have been.
