Morning Gigue

A couple is flying in a hot air balloon and realizes they're lost. They spot a man down below and shout, "Excuse me, can you tell me where we are?"

The man below says, "Yes, you're in a hot air balloon, hovering 30 feet above this field."

"You must work in Information Technology," says the balloonist.

"I do," replies the man. "How did you know?"

"Everything you have told me is technically correct, and yet it's of no use to anyone."

The man below says, "You must work in management."

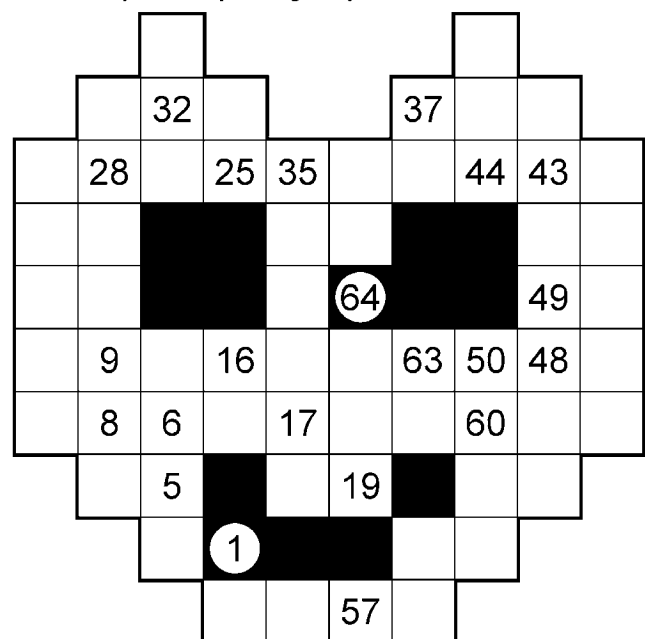

"We do. How did you know?"

"Well, you don't know where you are, or where you're going, but you expect me to be able to help, and you're in the same position as you were before we met, but now it's my fault."

You can attract the right opportunities and people to you with the power of positive thinking and your natural charm.

GEMINI (May 21 to June 20)

CANCER (June 21 to July 22)

Be specific about what you want because there's a good chance that you'll get it.

LEO (July 23 to Aug. 22)

If you've been working on something behind the scenes, today may be a chance to share what you've been up to. On another note, trust your instincts.

VIRGO (Aug. 23 to Sept. 22)

Use the first half of the day to catch up with people. Come later, you'll feel the need to give your mind a rest.

LIBRA (Sept. 23 to Oct. 22)

You can greatly benefit from networking and community-building. With your popularity on the rise, success isn't too far off.

SCORPIO (Oct. 23 to Nov. 21)

Share your knowledge with others. There may even be a chance that people want to pay you for what you know. Don't be shy about promoting yourself.

FOR TODAY'S BIRTHDAY

You care about others, and it shows. You make it safe for people to be vulnerable with you. You know that kindness is a strength, not a weakness. However, you're very selective about who you open up to or allow into your heart. You use your intuition to carefully consider the bonds you create with others, ensuring that your relationships last for a lifetime. Whenever you set out to reach a goal, you do it with imagination, determination and grace. This year, aim for the stars, and don't look back! You'll be pleasantly surprised by how far you get.

THE MORNING BITE the kitchn

Whipped lemonade is the delicious summer drink I can't stop making

Kelli Foster, TheKitchn.com

The unanimous reaction of every person to taste this frosty drink (my whole family included!) is that this whipped lemonade is their new go-to summer drink. I've lost count of how many times I've made it in the past month alone — it's that good. It strikes the perfect balance between a creamy milkshake, tangy- sweet lemonade, and a frozen slushie. You might notice similarities to Brazilian lemonade, and while equally delicious, they're two distinctly different drinks (Brazilian lemonade actually uses limes rather than lemons and doesn't include cream).

The best part is that you only need five minutes and three basic ingredients. Pop in a straw and drink it as is, or go all in by topping it with whipped cream and a slice of lemon. Want something a little boozy? Just add a pour of your favorite spirit to the blender.

Why you'll love it

It's so refreshing and perfect for summer. It doesn't get any better than a frozen drink that's the perfect mash-up of cold lemonade and a milkshake.

Couldn't be easier to make. Exactly how good summer drinks should be, this one is just as easy to make as it is refreshing and delicious. Toss everything in a blender and you're good to go.

Key ingredients in whipped lemonade

Lemons: Freshly squeezed lemon juice (two medium lemons will give you just enough) gives this frosty drink the best flavor.

Heavy cream: The richness gives this drink milkshake vibes.

Sweetened condensed milk: It adds just enough sweetness to balance the tartness of the lemon juice. You won't use the entire can, but there are a lot of ways to use up the leftover sweetened condensed milk — turn it into a caramel sauce, drizzle over fresh fruit, or stir into your morning coffee or tea.

Whipped Lemonade (Makes about 1 1/2 cups; serves 1)

1 1/2 cups ice cubes
1/4 cup cold heavy cream
1/4 cup freshly squeezed lemon juice (from 2 medium lemons)
1/4 cup sweetened condensed milk
Whipped cream, for topping (optional)
Lemon slice, for garnish (optional)

1. Place 1 1/2 cups ice cubes, 1/4 cup cold heavy cream, 1/4 cup lemon juice, and 1/4 cup sweetened condensed milk in a blender, preferably high-speed. Using the tamper if needed, blend until smooth, about 1 minute.

2. Pour into a glass and garnish with whipped cream and a lemon slice if desired.
