Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Being emotionally open or vulnerable with others is a strength. It can also be liberating.

TAURUS (April 20 to May 20)

A willingness to understand another perspective or point of view could help you find a solution that makes everyone happy -- including you!

GEMINI (May 21 to June 20)

Delegating tasks or responsibilities to others could allow you to get more done and out of the way today.

CANCER (June 21 to July 22)

Try not to worry too much about what everyone else is doing. Just be the best version of yourself that you can be.

LEO (July 23 to Aug. 22)

Avoid volunteering for more work than necessary. You need some time to play.

VIRGO (Aug. 23 to Sept. 22)

The first half of the day will be most beneficial for traveling, learning or teaching, or for promoting your work or content.

LIBRA (Sept. 23 to Oct. 22)

Don't be afraid to ask for what you want, especially if it has to do with money. There's a strong chance that your request will be granted!

SCORPIO (Oct. 23 to Nov. 21)

Be mindful of letting others pull you into their drama. It's best to stay out of it and remain neutral.

SAGITTARIUS (Nov. 22 to Dec. 21)

You need a well-deserved break. Create space in your schedule so that you can take one.

CAPRICORN (Dec. 22 to Jan. 19)

Being true to yourself will help the right people find you.

AQUARIUS (Jan. 20 to Feb. 18)

Find constructive ways to channel any frustration that you might be feeling. You can put it to good use!

PISCES (Feb. 19 to March 20)

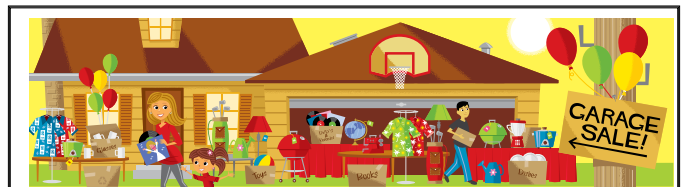

It's time to put an idea into action. Use your imagination!

FOR TODAY'S BIRTHDAY

You're self-motivated, even if there are times when you might not be so self-assured. However, you'd rather rise to the challenge than count yourself out. It's your resilience and courage that enables you to meet your goals and overcome the obstacles that you face. Never the one to make an impulsive decision, you approach each opportunity with caution, preferring to feel your way through it instead of rushing in. Because of how strong your intuition is, your results are usually on target. This year, if there's an area of your life that you're not happy with, you should be able to improve it.

Today's Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

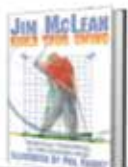

It's so cool to watch a pro golfer land their pitch shot past the flag, stop it, and have it roll back to the hole. How'd they do that? Pros put backspin on the ball, primarily to stop quickly on fast greens and control landing distance. Here's a tip to put backspin on the ball: Simply imagine that on the downswing, you want to slice off a fraction of the back of the ball with the blade's leading edge.

This image will help you make the sharp, descending blow that provides maximum backspin. **Backspin** offers total control, allowing players to land the ball softly and prevent it from rolling too far, which is crucial for "attacking" pins. Remember, high backspin is for less-than-full shots, not full swings with longer clubs.

THE **MORNING BITE**

Sardine Cakes

Can be served with a Spicy Yogurt Sauce as Tapas or Hors D'Oeuvres.

Prep time: 10 min

Chill time: 30 min

Cook time: 10 min

Servings: 15

Ingredients

Sardine Fish Cakes

2 tins sardines (~4oz)

½ cup mayonnaise

½ cup Panko breadcrumbs

2 teaspoons Old Bay seasoning

1 egg

lemon juice (optional)

Spicy Yogurt Sauce

½ cup plain yogurt (whole milk)

1 tablespoon sriracha

1 tablespoon Dijon mustard

1 teaspoon Worcestershire sauce

minced garlic (optional)

Directions

Remove sardines from tin, reserving oil, and place fish in a mixing bowl. Add remaining fish cake ingredients, along with the oil from one tin (about 2 TB) to the bowl.

Gently mix all the ingredients together with a fork. Mix until incorporated, but don't purée.

Use something to scoop the fish cake mix into small balls. Flatten into small patties 2" across, and about ½" thick.

Set patties on a rimmed baking sheet, large cast iron pan, or casserole dish.

Refrigerate patties for about 30 minutes.

While fish cakes chill, mix together all the ingredients for the yogurt sauce.

Move oven rack to the top 3rd of the oven. Broil for 5 minutes, flip, and broil 3-5 minutes more, until cakes are golden brown.

Drizzle some lemon juice on cakes. Serve while still hot with the yogurt sauce. Enjoy!

RESTAURANT SPOTLIGHT

River Cafe

25 Prince's Island Park SW, Calgary
403.261.7670

Consistently listed as one of Canada's Best Restaurants, River Cafe is located on the beautiful Prince's Island Park. Their culinary focus stems from a deep respect for the ingredients. The team is dedicated to sourcing the best tasting local ingredient in season. They connect directly with growers and producers at their farms, gardens and ranches, and carefully choose those purveyors who are responsible stewards of the land. River Cafe is no stranger to awards and accolades and has an impressive list, which is also showcased on their website. The restaurant is an advocate for green practices and was Canada's Most Eco Friendly Restaurant in 2018 (Canada's 100 Best) and Canada's Greenest Restaurant on the 2019 Leaf Awards. Both River Cafe and Chef Kristen Livingston share the philosophy of real food, sustainable food, food that gives back to the land, and food that is local.

Leading the talented kitchen at River Café is Executive Chef Kristen Livingston, a passionate advocate for sustainability and a champion of Canadian cuisine. Her coast-to-coast culinary journey has taken her from the shores of Prince Edward Island to the kitchens of St. John's, deepening her appreciation for Canada's rich food culture.

Inspired by River Café's mantra of 'How local can we be?', Kristen's daily focus at the restaurant is creating a sustainable menu that involves seasonal ingredients, working directly with local growers, foragers and farmers and maintaining environmental practices that continue to reduce River Café's carbon footprint.

Her menu is unconventionally artistic and deliberately highlights local organic produce, Oceanwise seafood and free-range animals.

Alberta on the Plate showcases the incredible bounty that is grown and produced across our beautiful province. Throughout the year, we celebrate and share the Alberta food story by introducing you to the people and businesses that grow, raise, create, and support the agri-food industry in Alberta. Every August during Alberta Local Food Week, Alberta on the Plate hosts a ten-day, province-wide dine around festival. Get more info at:
