There are many different ways to begin the planning ahead conversation. For some families, it might be a casual conversation over dinner or a family gathering. For other families, a formal meeting might be better suited.

## *Benefits of Pre-Planning*

- **Peace of mind** - Pre-planning takes the burden of making important decisions off your loved ones during a difficult time.
- **Longevity** - Pre-planning your funeral will make certain that your choices are respected and carried out, without leaving your family to wonder what your wishes may have been.
