# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

Today asks that you take some time to reconnect with the people you love. They're the ones who will remind you of what really matters in life.

## TAURUS (April 20 to May 20)

If you're traveling, you may need to double-check plans or details to avoid a potential headache.

## GEMINI (May 21 to June 20)

Money that you were expecting might arrive later than you anticipated. Plan accordingly.

## CANCER (June 21 to July 22)

There could be a chance to revisit a discussion with your partner or a close friend. Maybe there's a chance to clear the air.

## LEO (July 23 to Aug. 22)

It may be necessary to lighten your workload for the sake of your well-being or rethink how much time and energy you actually have to give.

## VIRGO (Aug. 23 to Sept. 22)

It's a great time to reconnect with friends, especially if it's been a while since you've spoken to each other or spent time together.

## LIBRA (Sept. 23 to Oct. 22)

Have you been too invested in taking care of your responsibilities that you've neglected to take care of yourself? Take a pause to focus on self-care.

## SCORPIO (Oct. 23 to Nov. 21)

Patience may be needed if you're having trouble executing plans today, especially if they involve travel. Having a back-up option could be helpful.

## SAGITTARIUS (Nov. 22 to Dec. 21)

An issue might arise concerning an unexpected expense. Do your best to get it sorted out. Check your receipts!

## CAPRICORN (Dec. 22 to Jan. 19)

An opportunity may arise to make amends with someone or share what's in your heart. There could also be a chance to renegotiate an agreement.

## AQUARIUS (Jan. 20 to Feb. 18)

You might not get much done today, which might not necessarily be a bad thing. You could use the rest.

## PISCES (Feb. 19 to March 20)

This can be a wonderful time for revisiting a passion you once loved as a kid. Ask a friend to join in on the fun!

## FOR TODAY'S BIRTHDAY

You don't really worry too much about missed opportunities because you know how to create your own. You'll always know what's right for you and what's not by following your intuition. Your ability to think and plan ahead helps you to stay prepared for whatever life might bring, no matter if it's a challenge or a potential win. This year, your attention is pulled toward your relationships. There may be conversations that you need to have to determine how you should best move forward with some connections and move on entirely from others.

### Make 'Short-Game' Practice FUN!

**CHIP PITCH SAND**

5 3 1 5 3 1 5 3 1

You gotta practice the short game if you want to shoot your best scores. Make short-game practice fun by making a game out of it. Play 10 chip shots from just off the green, 35 to 50 feet from the hole. Score 5 points for a "hole out," 2 points for shots within 2 feet, 1 point for shots within 4 feet. Short Pitch & Run: Play 10 shots from 10-15 yards off the green, 60-90 feet from the hole. Score 10 points for a "hole out," 2 points within 4 feet, and 1 point within 8 feet. Greenside-Bunker Shot: Play 10 shots from a normal lie, 40-60 feet from the hole. Score 20 points for a "hole out," 2 points within 6 feet, 1 point within 12 feet. Add up your total points and then try to top your score every time you practice.

# THE MORNING BITE

## Pho Soup

Vietnamese Pho Soup is a tea-like, beef based soup with a flavor profile that differentiates it from the traditional Western palette. This recipe is designed to be as easy to make as possible, while simultaneously being as based as possible.

**Prep time:** 20 min

**Cook time:** 2 hours

**Servings:** 4

### Ingredients

Garlic (4-8 large cloves)  
 Spring Onions  
 Cardamom Seeds (10 or so)  
 Star Anise (4-5)  
 Ginger  
 Cinnamon Sticks (3-5 sticks)  
 Diced Beef (300g)  
 Beef Bones with marrow (3x)  
 Beef bouillon cubes (1-3)  
 Coriander (to taste)  
 1 Lime (to taste)  
 Fish/Oyster Sauce  
 Honey or Brown Sugar  
 Rice noodles

### Directions

Heat your oven and place the spices (garlic, cardamom seeds, cinnamon sticks, star anise and ginger) on a tray and bake them until browned or decently toasted.

Boil bones until you remove most of the scum, and transfer the spices from the oven into the pot. Life will be easier if you can place the spices in a tea strainer of sorts, otherwise, it's not the worst thing in the world fishing them out later on.

Add beef bouillon cubes, diced beef, fish/oyster sauce, and honey/sugar, then simmer for a couple hours with the lid on.

Cook the rice noodles (should only take a few minutes, just until the texture is al dente enough).

Once the broth is done cooking, fish out the spices that you added at step 2. It's worth doing this rather than accidentally chewing on a bit of star anise, trust me.

Cut up coriander and spring onions as garnish.

Add rice noodles to bowl, followed by the broth and its contents, followed by the garnish. This can be made and eaten within 1 hour if you want it quickly, but typically with broths the longer you simmer the tastier it'll be.
