Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

The key to getting what you want is through compromise. Give a little, get a little.

TAURUS (April 20 to May 20)

Not every opportunity is worth pursuing. If there's an opportunity you do want, make sure that it's a good fit for you.

GEMINI (May 21 to June 20)

Today would make a great vacation day. If you can't take time off, at least go somewhere different for a change of scenery.

CANCER (June 21 to July 22)

There's a time for chasing your goals and a time for allowing plans to unfold on their own. Today calls for the latter.

LEO (July 23 to Aug. 22)

Don't let the need to be in control prevent you from receiving help or support from others.

VIRGO (Aug. 23 to Sept. 22)

Be mindful of being overly ambitious with your goals. If you're only able to get to one or two items off your to-do list, this still counts for something.

LIBRA (Sept. 23 to Oct. 22)

If you're feeling restless, maybe it's time to get out of your city or neighborhood for a little while. At the very least, it's a great day to try something new.

SCORPIO (Oct. 23 to Nov. 21)

Try to avoid overextending yourself to others. Conserve your time and energy.

SAGITTARIUS (Nov. 22 to Dec. 21)

Don't let yourself become so busy that you're unable to make time for your partner or someone else you love.

CAPRICORN (Dec. 22 to Jan. 19)

There's more than one way to get a job done. Be willing to try a different approach.

AQUARIUS (Jan. 20 to Feb. 18)

Believe in yourself and what you have to offer. Don't let self-doubt creep in.

PISCES (Feb. 19 to March 20)

If your nervous system is on overload, take time to unplug from all the noise and enjoy the peace and quiet.

FOR TODAY'S BIRTHDAY

You have an energy about you that people love. Even if you're having an off day, you can still end up with an adoring fan or two. You're magnetic, inspiring and inventive. Others may try to emulate you, but they usually fail at doing so. You can do well on a team or when working with others, but you probably often find yourself in a class of your own. This year, you're called by the cosmos to broaden your horizons. You have more options that you might think, so don't limit yourself to what you know.

Today's Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

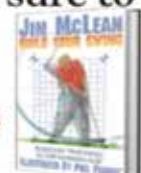

Hit The Road!

Are you having trouble hitting the fairway with your tee shot? Use this simple tip that can help. Look at the fairway like it's a **"three-lane highway."** If your ball tends to fly right-to-left, maybe a draw or a bit of a hook, you should aim down the **right lane** and plan to land the ball in the **center lane**. If you hit it straight, you end up in the **right lane**, or if you over-draw it a bit, or hook it, you hopefully at least end up in the **left lane**. The same works for a fade or a bit of a slice, aim for the **left lane**. Just make sure to

aim for a place where a straight shot won't get you in trouble, and you have some safe breathing room.

THE MORNING BITE

Chicken Stock or Bone Broth

Chicken stock, or “bone broth” is not a final dish in itself, but is used in many soups and other dishes to add great taste to something otherwise very simple. While it is easy to make, it sells for very expensive in the store, so it’s a good thing to know to make by yourself since it can be done very cheaply.

Ingredients

- a whole raw chicken with organs removed
- onions
- celery
- carrots
- optional aromatic ingredients
- a bay leaf
- thyme
- rosemary
- crushed peppercorns

Directions

Cut onions, celery and carrots into large chunks (you don’t even need to remove the onion peels), add to a large empty pot (stock pot).
 Add the chicken to the pot as well. It is fine to butcher the chicken to reduce its size, but include all bones and tendons as well.
 Add any aromatic seasonings.
 Fill the pot with water up slightly past all the ingredients.
 Bring contents to a boil, then reduce heat and let simmer for at least 45 minutes.
 You may want to remove with a spoon or other instrument the bubbles that form on the top. This will give you a clearer stock, but it is not necessary.
 Strain the liquid, now stock, into another container for storage or use.

PREPLANNING A FUNERAL WITH WEBER FUNERAL HOME

To begin the process of preplanning we invite you to meet with our professional funeral directors by scheduling an appointment at our office or we can come to you at your home. We start each preplan with listening to your wishes and then we guide you with detailed information. We explain processes and procedures that happen at the time of death and offer advice for how to move forward. As part of the preplan, we talk about all the costs involved and record everything in detail for you file. By having valuable information recorded and in place ahead of time you are alleviating your family from having to make difficult decisions in the moment when they are experiencing the emotions of grief and loss.

We recognize that things in life can change. We pride ourselves in our professionalism and will easily transfer arrangements from our funeral home to another service provider. In some cases people have made preplanned and prepaid funeral arrangements with other funeral homes and may want to change providers. Weber Funeral Home will facilitate the transfer of preplans and prepaid contracts from other funeral service providers to Weber Funeral Home.

Some of the feedback we receive from families when the funeral has been prearranged:

- *"We are so glad that mom and dad had their arrangements planned ahead of time, we would have been lost with out it."*
- *"I can't believe how easy this was, I should plan my arrangements for my family too."*
- *"We were overwhelmed with where to begin, having this prearrangement gave us comfort in knowing dad gave us his guidance on what to do."*

Our experience as funeral directors has lead us to believe that prearranging your funeral is a gift to your family. For more information about how prepaid funerals or to discuss preplanning, please contact our office by calling 780-672-3131 to set an appointment. You are welcome to come to our office or we can schedule a time for us to come to your home. We also provide an online prearrangement form on our website or you can stop by our office for a free service guide.
