Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Your compassion is a strength, so put it to good use today. Help out someone in need.

TAURUS (April 20 to May 20)

You could uncover a golden opportunity through a friend or someone you know.

GEMINI (May 21 to June 20)

Expect a little luck with money, like a job offer, a raise, or some extra income.

CANCER (June 21 to July 22)

Getting something you want might require a leap of faith. Go for it, and don't look back!

LEO (July 23 to Aug. 22)

Prioritize your spiritual well-being by clearing out negative energy from your space, praying, meditating, or enjoying a moment of solitude.

VIRGO (Aug. 23 to Sept. 22)

Have the courage to ask others for help. People will be ready and willing to come to your aid.

LIBRA (Sept. 23 to Oct. 22)

If there's a job or position that you want, now's the time to go after it.

SCORPIO (Oct. 23 to Nov. 21)

A chance to travel, join a study program, or share your knowledge with a broad audience could arise. You could also find yourself feeling more inspired than you've been in a while.

SAGITTARIUS (Nov. 22 to Dec. 21)

You might receive an approval for funding or achieve success with finding a home or selling one. Today can also pave the way for emotional healing.

CAPRICORN (Dec. 22 to Jan. 19)

Don't be too surprised if you find yourself on the receiving end of someone's kindness or generosity. And don't forget to pay it forward!

AQUARIUS (Jan. 20 to Feb. 18)

Treat yourself to a manicure or a full spa day, if possible. The goal today is to do something nice for yourself.

PISCES (Feb. 19 to March 20)

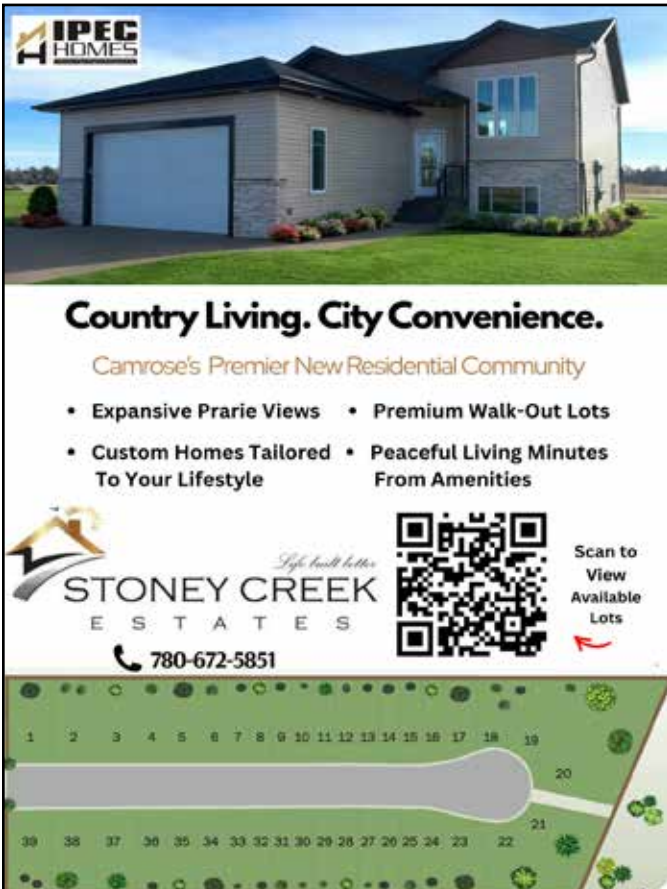

Don't be afraid to take a gamble on love or on yourself. Either way, you'll find that the odds are in your favor!

FOR TODAY'S BIRTHDAY

When something goes wrong, you know just what to do to correct the issue. You're unflappable under pressure and skilled at solving problems. You know how to make people feel welcome and appreciated because you understand what makes people tick. At the same time, you appreciate anyone who can keep you intellectually engaged, especially in a romantic relationship. You often come up with some of the best ideas and enjoy being creative. Any success you find this year is because you dared to step outside your comfort zone!

Morning FORE!

Today's Tip

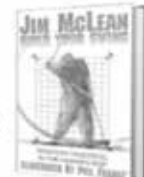

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

'Chip Away' When 'Tight'!

Your approach shot was short of an elevated green, so it rolled down the slope before coming to a rest. The flag is located close to your side, so you don't have much room to stop the ball. You might think, "I should play a high, soft lob shot." If your lie is "tight," with little or no cushion under the ball, a lob shot is risky! Instead, a low chip shot into the slope in front of you is the higher percentage shot. Select a club that will carry the ball in the air, halfway up the slope, and give it enough momentum to climb the rest of the way up and onto the green. (This will most often be a **5-, 6-, or 7-iron.**) This into-the-slope chip is a **"feel"** shot, so practice it on the course when the opportunity arises.

THE MORNING BITE

Beef Wellington

Prep Time: 10 min

Cook Time: 2 hours

Servings: 4

Ingredients

1lb of Fillet Beef

Extra Virgin Olive Oil

1lb of mushrooms

4 Thinly Cut Slices of Ham

2tbsp of Yellow Mustard

7oz of Puff Pastry

2 Egg Yolks Beaten

Side note: Fillet beef is preferred. It gives the beef wellington a soft, tender and juicy flavour. Trust me, using fillet is worth it.

Directions

Season the fillet with salt and black pepper.

With a nicely-oiled pan on high heat, sear the fillet on all sides, including the ends. For the standard medium-rare beef wellington, do not cook the fillet, just sear it, though if you want something more cooked than medium-rare, it's wise to give it more heat here. Put it aside on a plate.

Brush the fillet with yellow mustard immediately after taking it out of the pan. This allows the mustard's flavour to be absorbed by the fillet and thus preserve a mildly hot flavor.

Chop the mushrooms. Put them in a food processor. Transfer the purée to a sauté pan that has been heated to medium high heat to cook. Allow the mushrooms to release their moisture; once the moisture has been boiled away take the mushrooms out of pan to cool.

Lay out the slices of ham on plastic wrap and spread the mushroom mixture over the ham. Place the fillet in the middle. Wrap the fillet into a tight barrel shape twist the end of the plastic wrap to secure the wrap and the refrigerate the whole thing for 20 minutes.

Preheat the oven to 302°F/150°C.

On a lightly floured surface, roll out a sheet of puff pastry to a size that will fit the fillet. Preserve a little excess pastry. Unwrap the fillet-mushroom-ham from the plastic wrap and place in the middle of the pastry dough. Brush the edges of the pastry with the beaten egg yolks. Place the pastry-wrapped thing on a baking tray. Brush the exposed surface again with the beaten eggs. Optionally, score the top of the pastry with a knife, to give it a better presentation. Scratch the surface of it but don't cut it through. Season it through with coarse salt. Bake at 302°F/105°C for 35-42 minutes. The pastry should be nicely golden when done. Let it rest for about 10 minutes and cut it into 1in/2.54cm-thick slices for presentation.
