Fountain Tire

We're
on this road
together.

From March 16 to April 25, 2026, save up to 25% instantly on select tires at all Fountain Tire locations. Plus, purchase a set of four qualifying identical, eligible Goodyear tires during this period and qualify for up to an additional \$100 in a manufacturer's mail-in rebate. To receive the rebate, consumers must submit a copy of their invoice and the rebate form to the mailing address listed on the form or through the manufacturer's rebate website by the deadline specified by the manufacturer. Rebates are valid at all Fountain Tire locations and apply to Fountain Tire's Every Day Price (EDP). This is a consumer rebate only and does not apply to business customers, Goodyear National Accounts, or Fountain Tire CFA Elite Accounts. Inventory may vary by location. Mail-in Service rebate: A minimum qualifying service purchase is required. Spend \$150 or more on qualifying services including tire installation, tire storage, parts, and labor—to receive a \$50 rebate. This service purchase must be made along with the purchase of a set of four qualifying Goodyear tires between March 16 to April 25, 2026, and only at participating Canadian Goodyear Tire & Service Network retailers. These offers are open to Canadian residents with a valid Canadian mailing address. Tire purchases, shop supplies, disposal fees, and taxes are excluded from this offer. Cannot be combined with other Goodyear services offers. All applicable taxes (e.g., GST, PST, HST, and tire taxes) are extra. Visit a Fountain Tire location or fountaintire.com for complete promotion details, including eligible tires. Fountain Tire is licensed by AMVIC in Alberta.

Celebrate St. Patrick's Day with a homemade Shamrock Shake

Kelli Foster, TheKitchn.com

Everyone has their own favorite way to celebrate St. Patrick's Day. Your yearly tradition might include corned beef and cabbage or perhaps a big pot of Guinness beef stew. For me, there's nothing better than a cool and creamy Shamrock Shake.

Introduced by McDonald's around 1970, the Shamrock Shake is a green, mint-flavored milkshake topped with whipped cream. This popular seasonal treat is only available during February and March to celebrate St. Patrick's Day. Want to learn how to make it at home? This creamy green shake comes together with just a handful of basic ingredients! Here's our easy recipe.

Why you'll love it

It's just like the one from McDonald's, but way better. And best of all, you can make this minty green milkshake anytime you please.

It's creamy and milky, with just the right balance of vanilla and mint. It's the classic Shamrock Shake you know and love.

Key ingredients in a shamrock shake

Vanilla ice cream: You'll need 1 pint of vanilla ice cream (about 2 cups). Let it sit out at room temperature for a few minutes until it starts to soften.

Milk: Use whole milk for a richer milkshake.

Peppermint extract: This gives the shake its signature mint flavor.

Green food coloring: You can use liquid or gel green food coloring here.

Toppings: Garnish the shakes with whipped cream, green sprinkles, and maraschino cherries.

Shamrock Shake (Makes about 2 1/2 cups; serves 2)

For the milkshake:

1 pint vanilla ice cream (about 2 cups)

2/3 cup whole milk

1/2 teaspoon peppermint extract

8 drops liquid or 4 drops gel green food coloring

Garnish options:

Whipped cream

Green sprinkles

2 maraschino cherries

1. Let 1 pint vanilla ice cream sit out at room temperature until starting to soften, 10 to 15 minutes (softened ice cream will blend with ease and require less milk to get things moving). Give the container a squeeze — it shouldn't be rock hard and should give slightly when it's ready. Meanwhile, chill the glasses.

2. If you have room in your freezer, stick two tall drinking or milkshake glasses in there, or else chill the glasses in the refrigerator. This will ensure the milkshake stays cold as long as possible.

3. Place 2/3 cup whole milk, 1/2 teaspoon peppermint extract, 8 drops liquid or 4 drops gel green food coloring, and the softened vanilla ice cream in a blender.

4. Starting on the lowest speed and working your way up to medium speed, blend until the milkshake is smooth and pourable, about 1 minute. Stop the blender and scrape down the sides or stir as needed to keep things moving.

5. Divide the milkshake between the glasses. Garnish with whipped cream, green sprinkles, and two maraschino cherries if desired. Serve immediately.

Personalized Memorials

Your Story in Stone

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
