Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

What changes do you need to make to improve your well-being? Perhaps it's time to quit a soul-sucking job or take better care of your health.

TAURUS (April 20 to May 20)

If you've put a dream on ice, there's an opportunity to revive it. An old friend might be of help.

GEMINI (May 21 to June 20)

A home or family issue could be brought to light. You may need to bring in an expert to help resolve it or handle the matter in a mature way.

CANCER (June 21 to July 22)

Have you been thinking too small? Are you too concerned with what will go wrong versus what will go right? You're encouraged to think bigger.

LEO (July 23 to Aug. 22)

You should evaluate where you've been giving too much time, energy or money with little return on your investments. You deserve better.

VIRGO (Aug. 23 to Sept. 22)

What if you weren't always the fixer or problem-solver in every relationship? What if people got a chance to get to know you just as you are?

LIBRA (Sept. 23 to Oct. 22)

Surrendering doesn't mean giving up. It means knowing what's beyond your control and accepting it so that you can focus on what needs your attention.

SCORPIO (Oct. 23 to Nov. 21)

You might decide to walk away from a friendship, team or organization because it no longer feels authentic to you. You should be true to yourself.

SAGITTARIUS (Nov. 22 to Dec. 21)

When it comes to commitments, you're encouraged to be more selective. Trusting your gut will help.

CAPRICORN (Dec. 22 to Jan. 19)

No matter how old you are, you should never stop learning. There's much to be curious about. Open your mind up to new information.

AQUARIUS (Jan. 20 to Feb. 18)

If you've been doubting your worth, it's time to give yourself more credit. You owe yourself at least this much.

PISCES (Feb. 19 to March 20)

It seems as if a relationship or partnership has run its course. It's time to choose yourself or go solo.

FOR TODAY'S BIRTHDAY

You have the capacity to be a source of hope and inspiration for others. Your love of whimsy, romance and beauty tends to rub off on the people around you, making you a ray of light in a world that can often be so dark. You're charitable, supportive and affectionate. However, when you've been wronged, you might forgive, but you'll rarely forget. The people who bring out the best in you are those who understand your emotional ebbs and flows. This year, it may be time to exit a relationship that requires you to sacrifice yourself.

Morning Giggle

Two men are out fishing, and they are having great luck. They are catching so fast that they have to go back early.

"This is so great," says the first guy. "We should mark the spot so we can come here again."

"You're right," replies the other guy, who then dives over the side and paints a big X on the bottom of the boat.

They head back to shore, and just as they're about to dock, the first guy looks at the second and asks, "But what if we don't get the same boat next time?"

THE MORNING BITE the kitchn

This giant, oven-baked pancake is crispy, fluffy and impossible easy

Patty Catalano, TheKitchn.com

If you're still making pancakes for your family like a short-order cook, I've got just the thing to make your morning routine a whole lot easier: a skillet pancake. Just pour the batter into a hot skillet, bake for about half an hour, then sit down to breakfast together. There's simply no better way to do it!

This step-by-step recipe will show you how to mix, bake, and serve a family-sized pancake that will rival any diner-style stack. Plus, I'll share my expert tips on how to get the crispy brown-buttery crust and pillowy-light interior that makes this pancake so special. Here's how to do it.

Tips for baking a skillet pancake

The batter for this pancake takes inspiration from one of my favorite pancake recipes: Kitchn's Lofty Pancakes. It starts like most pancake recipes, by mixing the flour, sugar, and leaveners in one bowl. But things go a little differently with the wet ingredients.

Instead of adding whole eggs, you add just the yolks to the buttermilk mixture. Many pancake recipes that call for separating eggs have you whip the whites and then fold the fluffy mixture into the batter. This recipe is even easier — you simply fold the unbeaten egg whites into the batter, which gives the pancake a lofty texture with way less work.

To get the buttery, browned edges, I borrowed a technique from cast iron cornbread: preheating the skillet. Before you add the batter, swirl a knob of butter around the bottom and edges of the pan, which will keep the pancake from sticking and give you those toasty edges. Then pour in the batter and sprinkle the blueberries (or raspberries, or banana slices, or chocolate chips) on top. The juicy fruit will settle into the pancake as it rises in the oven.

Bake until the pancake puffs and the top is golden (it's OK if it cracks slightly — those crispy crevices are great spots for the syrup to sneak in). Serve the pancake straight from the pan, slicing it into wedges and topping with butter, syrup, and more blueberries.

Skillet Pancake (Serves 4 to 6)

- 1 1/4 cups all-purpose flour
- 2 tablespoons granulated sugar
- 2 teaspoons baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon kosher salt
- 4 tablespoons unsalted butter, divided
- 1 1/4 cups buttermilk
- 2 large eggs, separated
- 1 1/2 cups blueberries, plus more for serving
- Maple syrup, for serving

1. Heat the oven and skillet to 375 F. Arrange a rack in the upper third of the oven and heat the oven to 375°F. Place a 10-inch cast iron skillet or oven-safe nonstick pan in the oven while it heats.
2. Mix the dry ingredients. Whisk 1 1/4 cups all-purpose flour, 2 tablespoons granulated sugar, 2 teaspoons baking powder, 1/2 teaspoon baking soda, and 1/2 teaspoon kosher salt together in a large bowl.
3. Melt the butter. Microwave 2 tablespoons unsalted butter in a separate smaller microwave-safe bowl or large measuring cup in 10-second bursts until melted, 30 to 40 seconds.
4. Mix wet ingredients. Add 1 1/4 cups buttermilk to the melted butter. Then separate two eggs, collecting the egg whites in the measuring cup used for the buttermilk. Add the egg yolks to the melted butter and whisk to combine.
5. Combine the wet and dry ingredients. Pour the buttermilk mixture into the flour mixture and stir with a spatula until most of the flour is moistened. Add the egg whites and fold in just until incorporated, but do not overmix.
6. Rest the batter. Set the batter aside for 10 minutes.
7. Melt the butter in the skillet. Cut the remaining 2 tablespoons unsalted butter into four pieces. Take the preheated skillet out of the oven and add the butter. Swirl the pan until the butter melts and coats the bottom and sides.
8. Add the batter to the pan. Transfer the pancake batter to the pan and spread into an even layer.
9. Top with blueberries. Sprinkle 1 1/2 cups blueberries evenly over the pancake batter.
10. Bake the pancake. Bake the pancake until puffed and golden brown, 25 to 30 minutes.
11. Serve the pancake. Cut into wedges and serve with maple syrup and more berries.

Let us guide you in choosing the right monument for your loved one...

- Monuments help families who have lost a loved one through the difficult transition period by providing them with a tangible link between the past, the present, and the future.
- Monuments can also tell the story of the deceased. You can have custom images put on the monument that can show what your loved one enjoyed, a glimpse into who they were.

- Monuments provide families a place where they can go, to reflect on the memories of their loved one, and on the moments they spent with them.
- We are able to assist with the design and inscription of your columbarium niche doors.
