A person reported a rock had been thrown through the driver's-side window of their vehicle while parked at 48 Street and 4900 Block.

Assault

Police responded to a report of a intoxicated, male subject who had assaulted the caller. The caller left the residence for their safety. Police attended and determined through a witness on scene that the subject had left the residence. The subject was observed by police in his vehicle speeding. The subject returned to the residence where he was arrested without incident. The 34-year-old male was charged with dangerous driving, unlawful confinement and assault.

Panhandling

Police responded to a complaint of a 26-year-old female subject panhandling outside a local retail business. Police attended and spoke with the subject and warned her about her behaviour. She agreed to leave the area.

Dog bite

A person reported being bitten (causing injury) by a dog in the area of 55 Street and 5300 Block. Police attended and spoke with the owner of the dog advising them to quarantine the dog while investigation ensues.

Camrose Community Peace Officer conducted a follow-up investigation on the dog bite incident. A statement was obtained and the matter is still under investigation.

Vandalism

A person reported vandalism at a local recreation centre. Police attended and reviewed CCTV footage which showed a male youth jumping on tables. Matter is still under investigation.

Theft

A representative of a local retail business reported a theft by a female and three male subjects. The person reporting indicated the subjects left in a white truck. A member of the RCMP, who was on scene at the time of the incident, attempted a stop on the subject vehicle, which fled west-bound on Highway 13. Matter is still under investigation.

Curfew violation

Police conducted a traffic stop on a vehicle for an equipment violation. Two male subjects (44 and 47 years of age) were noted to be bound by an undertaking and curfew conditions. Both subjects were arrested. Search of the vehicle, incident to arrest, revealed a small quantity of methamphetamine and drug paraphernalia.

Theft

A representative of a local retail business reported the possible theft of merchandise. The representative provided police with a description of the vehicle and licence plate number. Matter is still under investigation.

Unregistered vehicle

Police conducted a traffic stop on a vehicle with expired registration. The operator of the vehicle was charged with no insurance and no registration. The vehicle was towed.

Assault

A 9-1-1 call reported an assault on an employee of a local restaurant by an unknown male subject. Police attended and noted the victim was in need of medical attention. EMS attended and transported the victim to St. Mary's Hospital. Police reviewed CCTV footage and observed the assault. Morning Giggle

When I went with my stepdaughter to visit a prestigious university, our student guide pointed out the nationally ranked library and state-of-the-art science facilities.

He told us that the professors were the best in the world, and he recommended my stepdaughter apply early to improve her chances for admission. "We get so many applicants," he boasted, "because of the stature of the school."

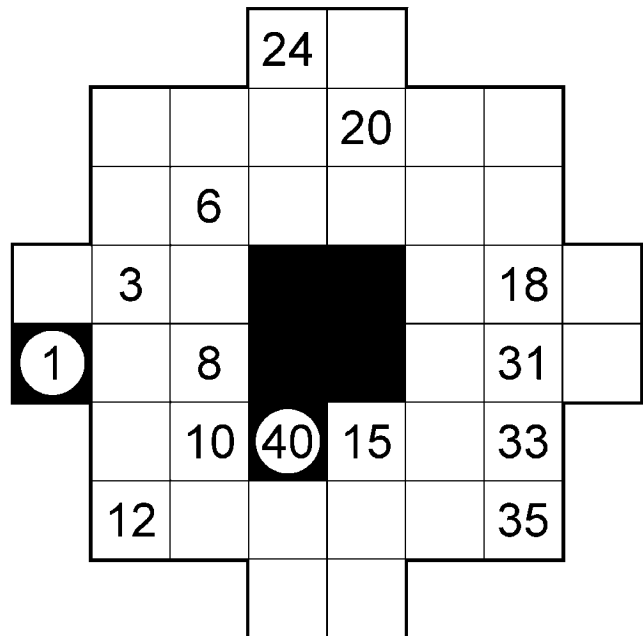

After the tour I asked our guide, "So, why did you choose this school?"

"Oh," he replied matter-of-factly, "my girlfriend goes here."

MEET A PRODUCER MODERN PASTURES BARRHEAD, AB

Modern Pastures was created to make it more convenient for consumers to purchase great quality meats directly from farmers. The keystone farm and initial brand focus is Rooted beef, provided by Meunier Livestock Ltd.

Chad and Stacey Meunier are the fourth generation operating Meunier Livestock, a large mixed-farming operation northwest of Edmonton. We have focused for over 20 years on expanding the cow-calf operation through diligent management using practices regarded today as regenerative agriculture.

Wade Meunier, Chad's brother, has been focused downstream on meat processing and marketing for over 20 years. He's been a senior manager in several meat processing operations and spent a significant portion of his career in the lamb industry.

Together, they share a strong belief that ruminant livestock production (beef, lamb, and bison) is good for the environment when managed well. From a nutritional density standpoint these meats are also the best raised meat available for human nutrition.

When they looked at the direct meat business landscape, they wanted to bring more stability to supply through larger farm partners doing great work at scale and secure a Federally inspected supply chain to reach more Canadian urban markets. Their initial focus on frozen meat and shelf-stable meat products is also a zero-waste strategy to bring value to customers.

Alberta on the Plate showcases the incredible bounty that is grown and produced across our beautiful province. Throughout the year, we celebrate and share the Alberta food story by introducing you to the people and businesses that grow, raise, create, and support the agri-food industry in Alberta. Every August during Alberta Local Food Week, Alberta on the Plate hosts a ten-day, province-wide dine around festival. Get more info at:

THE MORNING BITE the kitchn

These one-bowl lemon muffins are so easy, I make a batch weekly

Kelli Foster, TheKitchn.com

Move over, blueberry muffins! If you want an easy breakfast treat that's guaranteed to impress, it's time to grab a container of plump raspberries instead. I'd made blueberry muffins and strawberry muffins before, but it wasn't until last year that I was introduced to raspberry muffins. I don't bake with raspberries often, so a batch of these muffins always feels incredibly special. They're light and tender, with a just-sweet-enough bright, lemon-y flavor and pockets of sweet-tart berries. A drizzle of lemon glaze at the end is technically optional, although I add it every time and highly recommend it.

Lemon Raspberry Muffins (Serves 12)

For the muffins:

Paper muffin liners or cooking spray
 8 tablespoons (1 stick) unsalted butter, melted and cooled
 Finely grated zest of 2 medium lemons (about 2 tablespoons)
 3/4 cup granulated sugar
 1/2 teaspoon kosher salt
 2 large eggs
 1/2 cup whole or 2% milk
 2 tablespoons freshly squeezed lemon juice
 1 teaspoon lemon extract
 1 tablespoon baking powder
 1 3/4 cups all-purpose flour
 1 1/2 cups fresh raspberries (about 6 ounces), plus more for topping

For the glaze (optional):

1/2 cup powdered sugar
 1 tablespoon freshly squeezed lemon juice, plus more as needed

Make the muffins:

1. Heat the oven to 400 F. Line a standard 12-well muffin pan with paper liners or coat the wells with cooking spray.
2. Finely grate the zest of two medium lemons into a large bowl. Add 3/4 cup granulated sugar and rub the sugar and zest together with your fingertips until the sugar is moist and the mixture is fragrant, about 30 seconds.
3. Whisk in 1 stick melted and cooled unsalted butter and 1/2 teaspoon kosher salt. Whisk in 2 large eggs, 1/2 cup whole milk, 2 tablespoons lemon juice, and 1 teaspoon lemon extract until combined.
4. Sprinkle 1 tablespoon baking powder evenly over the top. Add 1 3/4 cups all-purpose flour and stir with a flexible spatula until mostly incorporated and some flour is still visible. Gently fold in 1 1/2 cups raspberries until just combined. Do not overmix. The batter will be thick.
5. Divide the batter between the muffin wells (scant 1/3 cup per well). Top with more raspberries if desired.
6. Bake until the muffins are golden-brown and a toothpick inserted into the center of a muffin comes out clean, 20 to 24 minutes. Let cool for 5 minutes. Transfer the muffins to a wire rack and let cool completely, about 30 minutes.

Make the glaze:

1. Whisk 1/2 cup powdered sugar and 1 tablespoon lemon juice together in a small bowl until smooth. If the glaze is too thick to drizzle, whisk in more lemon juice a few drops at a time as needed. Drizzle the glaze evenly over the muffins and let sit until set, about 15 minutes.

Recipe notes: The muffins will keep in an airtight container at room temperature for up to five days. They can also be frozen, then thawed at room temperature.

Personalized Memorials

Your Story in Stone

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
