PREPLANNING A FUNERAL WITH WEBER FUNERAL HOME

To begin the process of preplanning we invite you to meet with our professional funeral directors by scheduling an appointment at our office or we can come to you at your home. We start each preplan with listening to your wishes and then we guide you with detailed information. We explain processes and procedures that happen at the time of death and offer advice for how to move forward. As part of the preplan, we talk about all the costs involved and record everything in detail for you file. By having valuable information recorded and in place ahead of time you are alleviating your family from having to make difficult decisions in the moment when they are experiencing the emotions of grief and loss.

We recognize that things in life can change. We pride ourselves in our professionalism and will easily transfer arrangements from our funeral home to another service provider. In some cases people have made preplanned and prepaid funeral arrangements with other funeral homes and may want to change providers. Weber Funeral Home will facilitate the transfer of preplans and prepaid contracts from other funeral service providers to Weber Funeral Home.

Some of the feedback we receive from families when the funeral has been prearranged:

- *"We are so glad that mom and dad had their arrangements planned ahead of time, we would have been lost with out it."*
- *"I can't believe how easy this was, I should plan my arrangements for my family too."*
- *"We were overwhelmed with where to begin, having this prearrangement gave us comfort in knowing dad gave us his guidance on what to do."*

Our experience as funeral directors has lead us to believe that prearranging your funeral is a gift to your family.
