YOUR PREMIER ADULT LIVING COMMUNITY DEVELOPER

LIFE BUILT BETTER

by Mecca Woods

ARIES (March 21 to April 19)

Slow down. Take some time to reconnect with yourself. Avoid making impulsive decisions.

TAURUS (April 20 to May 20)

You may be unsure of what you want. Don't feel pressured to have an answer right now.

GEMINI (May 21 to June 20)

Don't waste time or energy on making comparisons between yourself and others. Just stick to doing what you do best.

CANCER (June 21 to July 22)

It may be difficult to get your head and heart to agree. Breathe for a minute, then tune into what your intuition has to say.

LEO (July 23 to Aug. 22)

The vibes might be weird or off-putting today. It might be beneficial to retreat to your quiet place so you can shake off the bad energy and regroup.

VIRGO (Aug. 23 to Sept. 22)

Don't allow any negative encounters you've had with people in the past to leave you to assume that everyone you meet will be the same way.

LIBRA (Sept. 23 to Oct. 22)

As much as you might want to help others, recognize that there will be times when you can't.

SCORPIO (Oct. 23 to Nov. 21)

Try to pace yourself. Beware of cramming too much stuff in one day.

SAGITTARIUS (Nov. 22 to Dec. 21)

Avoid taking an unnecessary risk. Play it safe.

CAPRICORN (Dec. 22 to Jan. 19)

The better you know yourself, the harder it will be for people to push your buttons.

AQUARIUS (Jan. 20 to Feb. 18)

Today could be chaotic. Try not to let it stress you out.

PISCES (Feb. 19 to March 20)

Be sensible with your cash. Don't spend frivolously.

FOR TODAY'S BIRTHDAY

You know how to balance the ebb and flow between rest and work. You prefer to allow the things you want to come to you rather than chasing them down. You trust that what's meant for you will always find you. You're a shrewd decision-maker, and it's often hard for you to be deceived. Your keen intuition enables you to quickly suss out the truth. Your cautious approach to life keeps you out of trouble. However, sometimes it's necessary to take a few risks or try something new. This year, don't be afraid to step outside your comfort zone!

Jazz up your salmon with zesty lemon-herb orzo

Laura Kanya

Seasoned salmon gets a brief pan-fry and sits on nutty whole-wheat orzo pasta with chopped broccoli. A quick dressing made with bright, citrusy lemon juice and zest, olive oil and fresh herbs takes this dish from ordinary to extraordinary.

Salmon with Lemon-Herb Orzo & Broccoli (Serves 4)

Active Time: 25 minutes

Total Time: 25 minutes

- 1 cup orzo, preferably whole-wheat
- 2 cups chopped broccoli (about 1/2 head)
- 3 tablespoons extra-virgin olive oil, divided
- 1 1/4 pounds skin-on salmon fillet, cut into 4 portions, patted dry
- 1/2 teaspoon salt
- 1/2 teaspoon ground pepper
- 4 tablespoons chopped fresh herbs, such as tarragon, chives and/or parsley
- 2 teaspoons lemon zest
- 1 teaspoon lemon juice

1. Bring 2 quarts water to a boil in a large saucepan. Add orzo and cook according to package directions, adding broccoli for the last minute of cooking. Drain and rinse with cold water.
2. Meanwhile, heat 1 1/2 teaspoons oil in a large nonstick skillet over medium-high heat. Sprinkle salmon with 1/4 teaspoon each salt and pepper. Add to the pan, skin-side up, and cook until golden brown, 3 to 5 minutes. Flip and cook until the flesh is opaque, 3 to 5 minutes, depending on thickness.
3. Whisk 2 tablespoons oil, herbs, lemon zest, lemon juice and the remaining 1/4 teaspoon each salt and pepper in a medium bowl. Add the orzo and broccoli; stir until combined.
4. Serve the orzo mixture with the salmon and drizzle with the remaining 1 1/2 teaspoons oil.

Personalized Memorials

Your Story in Stone

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
