# Morning Giggle

Arthur was walking through the woods when he came to a river. He walked along the bank for a while looking for a way to get across.

After a while he spotted someone else on the opposite bank, so he called out, "How do I get to the other side?"

The other person yelled back, "You ARE on the other side!"

*“We get no choice.  
If we love, we grieve.”*  
*Thomas Lynch*

*When someone close to us passes, the confusion and mixed emotions we feel can often become overwhelming. However, it is important to recognize that there is no standard way of experiencing loss and no right way to grieve.*

*Grief can manifest itself in a range of emotions: Shock, anger, guilt, despair, numbness. It is important to be kind to yourself and give yourself the time and care that you need to transition through the grieving process.*

*Coping with grief: recognize your emotions, lean on support from family and friends, talk about it, get additional help if needed, and give yourself time.*
