Morning Giggle

A little boy took his dog on a "take your pet to school" day. There were prizes for the smallest, the prettiest, the cutest, and the smartest pet.

Determined to have his dog win a prize, the boy put his pet through a whole series of tricks. Finally, the boy turned to the dog and asked, "Mindy, how much is two plus two minus four?"

The dog sat quietly, making no sound, remaining still and silent.

"Right!" exclaimed the boy. His dog won first prize.

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

If you're feeling stressed or bummed out, talking it out with a close friend or family member may help ease your troubles.

TAURUS (April 20 to May 20)

Don't talk yourself out of having a new experience or pursuing a potential opportunity. Be brave enough to try. Your courage will be rewarded.

GEMINI (May 21 to June 20)

You might feel like you don't really mesh with a particular crowd. Don't worry, you'll find where you belong.

CANCER (June 21 to July 22)

Take time out of your busy schedule to nourish yourself. Everyone else will just have to take care of themselves for a little while.

LEO (July 23 to Aug. 22)

Don't lose hope. You can still make your dream a reality. Being in the company of supportive people can help you find more avenues to make it work.

VIRGO (Aug. 23 to Sept. 22)

Open up your heart and your mind. Don't close yourself off to people.

LIBRA (Sept. 23 to Oct. 22)

If you need to smooth things over with someone, ask for a favor, or strike a deal, the best time to act will be later this evening. The lines of communication will be open.

SCORPIO (Oct. 23 to Nov. 21)

You need a break from your responsibilities to do something more fun and enjoyable. Set aside time for it today -- and for romance, too!

SAGITTARIUS (Nov. 22 to Dec. 21)

You might not be feeling outgoing or sociable today. Don't force it. The mood should eventually pass.

CAPRICORN (Dec. 22 to Jan. 19)

There may be obligations you have to meet, but you can still be choosy about who gets your time and when. That being said, spend quality time with someone you love.

AQUARIUS (Jan. 20 to Feb. 18)

Your resourcefulness is the key to getting over any hurdles you encounter.

PISCES (Feb. 19 to March 20)

Don't allow self-doubt to stop you from getting what you want. Go for the gold!

FOR TODAY'S BIRTHDAY

You're stoic and steady, but when you're with friends or family, you tend to be a little more open and carefree. You have a knack for making others feel safe and secure. However, learning how to be vulnerable with other people can be helpful for you, too, so that you don't have to carry so much weight on your shoulders alone. This year may put you in contact with new people, some of whom may become friends or helpers. It's time to bring some more people into your world!

MASTER STROKES

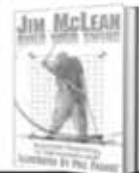

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Knee Drill

When playing the short pitch-shot from light rough, use your right knee as a focal point. The great Ken Venturi taught Hall of Fame players such as Tom Watson and Tom Weiskopf to use their right knee as an “accelerator.” Time your hands and your right knee to develop a consistent feel for any short pitch shot. You’ll see after many practice drills, when you get your right knee and hands in “sync” through impact, you’ll hit consistent, crisp and accurate short chips. Lower scores to follow!

THE MORNING BITE

Turkish Red Lentil Soup

Serve with a squeeze of lemon and alongside turmeric flatbread.

Prep time: 10 min

Cook time: 30 min

Servings: 6

Ingredients

1 cup Red Lentils
5 Tbsp Olive Oil
1 Tbsp Paprika
1/2 Tbsp Red Paper Flakes
1 large Onion, finely diced
1 large Carrot, diced
4 tsp Tomato Paste
2 tsp Cumin
1/2 tsp Dried Mint
1/2 tsp Thyme or Oregano
4 cup Vegetable Broth
4 cup Water

Directions

Reserve half the paprika and red pepper flakes, set aside.

Pick through lentils for any foreign debris, rinse two or three times, drain and set aside.

In a large pot over medium-high heat, saute 2 Tbsp of the olive oil and onion with a pinch of salt for 3 minutes. Add the carrots and saute for another 3 minutes.

Add the tomato paste and stir it around for 1 minute. Add cumin, mint, thyme, and the paprika/pepper flakes not reserved - and saute for 10 seconds to bloom the spices. Immediately add the lentils, water, broth, and salt. Bring the soup to a boil.

Once boiling, reduce heat to a medium, cover the pot halfway, and cook for 15-20 minutes or until the lentils have fallen apart and the carrots are fully softened.

Meanwhile, heat the remaining olive oil in a small sauce pan over medium heat, and swirl in the reserved paprika and red pepper flakes. The moment you see the paprika start to bubble, remove the pan from the heat.

Blend the soup to reach the desired consistency. Taste for seasoning.

Divide soup into bowls and drizzle the paprika oil on top of each serving.

Let us guide you in choosing the right monument for your loved one...

- Monuments help families who have lost a loved one through the difficult transition period by providing them with a tangible link between the past, the present, and the future.
- Monuments can also tell the story of the deceased. You can have custom images put on the monument that can show what your loved one enjoyed, a glimpse into who they were.

- Monuments provide families a place where they can go, to reflect on the memories of their loved one, and on the moments they spent with them.
- We are able to assist with the design and inscription of your columbarium niche doors.
