Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)
Beware of letting desperation drive your decision-making.

TAURUS (April 20 to May 20)
If you're angry with someone, give yourself time to cool off so that you can address the issue with a level head.

GEMINI (May 21 to June 20)
Your schedule might be way too full. Take it down a notch.

CANCER (June 21 to July 22)
Hold on to your money. Some restraint now could give you more freedom later on.

LEO (July 23 to Aug. 22)
Don't let your ego get the best of you. Stay open to other perspectives, even if you feel like you're right.

VIRGO (Aug. 23 to Sept. 22)
Before you make assumptions about something, try to gather the facts first. It could help fill in other pieces of the puzzle that you're missing.

LIBRA (Sept. 23 to Oct. 22)
You may want to help someone, but is the kind of help that you're offering really what this person needs?

SCORPIO (Oct. 23 to Nov. 21)
Pushing yourself to the limit isn't always the best approach or strategy. Slow your pace down and be intentional.

SAGITTARIUS (Nov. 22 to Dec. 21)
If you're feeling stressed or anxious, aim to do at least one thing today that supports your emotional well-being.

CAPRICORN (Dec. 22 to Jan. 19)
A friend might leave you feeling annoyed or upset. Instead of giving them the cold shoulder or pretending like nothing's wrong, talk it out.

AQUARIUS (Jan. 20 to Feb. 18)
Trying to force someone to do things your way could be more troublesome than helpful. Maybe you just need to try a different approach.

PISCES (Feb. 19 to March 20)
Take your time today. Rushing through a job or task could cause you to overlook important details or make unnecessary mistakes.

FOR TODAY'S BIRTHDAY
You have a steely resolve that enables you to survive and thrive under the toughest circumstances or in the most challenging situations. You're comfortable with intensity. You move through life at full speed, refusing to slow down. However, you may need to be mindful of pushing yourself too hard and moving too fast because life isn't a race. Taking time out to appreciate the little things is just as important as pursuing your next goal or going after the next big thing. This year encourages you to focus on creating more joy and ease for yourself.

There are many different ways to begin the planning ahead conversation. For some families, it might be a casual conversation over dinner or a family gathering. For other families, a formal meeting might be better suited.

Benefits of Pre-Planning

- ***Peace of mind*** - Pre-planning takes the burden of making important decisions off your loved ones during a difficult time.
- ***Longevity*** - Pre-planning your funeral will make certain that your choices are respected and carried out, without leaving your family to wonder what your wishes may have been.
