ARIES (March 21 to April 19)
Maybe it's time to stop expecting a relationship to fail and allow yourself to trust the connection.

TAURUS (April 20 to May 20)
Now that you can identify what isn't working in a partnership, how might you use this information to renegotiate its terms?

GEMINI (May 21 to June 20)
You may be accustomed to keeping a nonstop schedule, but you might soon realize that life doesn't have to be so hectic after all.

CANCER (June 21 to July 22)
What are some simple ways in which you can reconnect with your sense of joy? Perhaps it's an activity or a hobby that you loved to do as a kid.

LEO (July 23 to Aug. 22)
You may be gaining deeper insight into your emotions or a family-related issue, which could help you better articulate how you feel or what you need.

VIRGO (Aug. 23 to Sept. 22)
You could receive news that sheds light on a problem or a situation, which gives you the clarity or answers that you've been missing.

SCORPIO (Oct. 23 to Nov. 21)
Some self-reflection can help you determine the next steps for a personal or professional goal.

SAGITTARIUS (Nov. 22 to Dec. 21)
Using tools like meditation or journal writing could help you gain perspective and put your mind at ease.

CAPRICORN (Dec. 22 to Jan. 19)
You might have more people in your corner than you think. Call on them!

AQUARIUS (Jan. 20 to Feb. 18)
Avoid overpromising on what you're able to deliver. Keep expectations reasonable.

PISCES (Feb. 19 to March 20)
If plans aren't coming together the way that you've envisioned, maybe there are other options to consider.

FOR TODAY'S BIRTHDAY
You can be realistic, but you're also not afraid to imagine what's possible. When you pair your grit and determination with your creativity and ingenuity, you can work wonders. You may be someone who's high-achieving or always striving toward more. While your ambition is admirable, learning to appreciate where you are and what you have can help you to find true fulfillment. As you think about the goals that you want to accomplish this year, make sure you're doing it for the right reasons.

"We get no choice.
If we love, we grieve." *Thomas Lynch*

When someone close to us passes, the confusion and mixed emotions we feel can often become overwhelming. However, it is important to recognize that there is no standard way of experiencing loss and no right way to grieve.

Grief can manifest itself in a range of emotions:
Shock, anger, guilt, despair, numbness. It is important to be kind to yourself and give yourself the time and care that you need to transition through the grieving process.

Coping with grief: recognize your emotions, lean on support from family and friends, talk about it, get additional help if needed, and give yourself time.
