Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Taking a practical approach to your money and finances is necessary today. If you feel the need to take a risk, let it be creatively or just for fun.

TAURUS (April 20 to May 20)

Being a part of a team or group will be beneficial for your personal or professional goals. Resist the urge to go it alone.

GEMINI (May 21 to June 20)

Seems like you need more me-time. Be careful of overextending yourself today.

CANCER (June 21 to July 22)

Today can help you get over the hump with a project or goal. However, it may zap your energy. Make time to relax as well.

LEO (July 23 to Aug. 22)

Get as much as you can out of the way during the first half of the day. By the time the afternoon arrives, you may be too distracted to get much done.

VIRGO (Aug. 23 to Sept. 22)

It can be beneficial to ask others for their input or feedback. You may end up with more stress and frustration by commandeering the situation.

LIBRA (Sept. 23 to Oct. 22)

Finish the work you've started before moving on to something new.

SCORPIO (Oct. 23 to Nov. 21)

Only work with folks you trust to come through for you. Anyone else needs to be thoroughly vetted.

SAGITTARIUS (Nov. 22 to Dec. 21)

Employing stress-management tools or techniques will help you get through the day.

CAPRICORN (Dec. 22 to Jan. 19)

Give yourself a few moments of peace before you start the day. As the day grows increasingly busier, you'll be glad you took time out for yourself.

AQUARIUS (Jan. 20 to Feb. 18)

Getting clear on what you want will give you a better shot at materializing it.

PISCES (Feb. 19 to March 20)

The best time for making a big decision or having an important discussion will be in the morning. Come later, you might not be feeling so sure of yourself.

FOR TODAY'S BIRTHDAY

You possess the power to manifest and magnetize what you want. Because you believe that you will succeed, you usually do. Even if there's an obstacle in your path, you overcome it by envisioning where you want to be, then putting in the work to get there. You're powerful and brave, and you live by a strong moral code. You take calculated risks because you're always thinking 10 steps ahead. This year, expect experiences and personal victories that remind you of just how smart and capable you are!

BIRTHDATE OF: Emma Stone, actress/film producer; Ethan Hawke, actor/film director; Bowen Yang, actor/comedian.

Understanding Grief...

Grief is a normal but sometimes overwhelming *emotion*. It is a response to the loss of someone or something that we have formed relationship or a bond with. There are many dimensions to this emotion that have impacts on our physical body, our cognitive functions, social interactions, and our spirituality. It is normal to find yourself feeling numb and removed from daily life, unable to carry on with regular duties while saddled with the sense of loss. Grief is both a universal and a personal experience. Individual experiences of grief vary and are influenced by the nature of the loss.

Experts advise those grieving to realize they can't control the process and to prepare for varying stages of grief. Understanding why you're suffering can help, as can talking to others and trying to resolve issues that cause significant emotional pain.

Mourning is the expression of *grief*, occurring as a result of someone's death. It is a personal and a collective response which can vary depending on the contexts of the relationships we have.

Ceremony is a unified ritualistic event with a purpose, usually consisting of a number of human expressions such as music, spoken word, poetry, or other artistic components. The purpose of a funeral ceremony is for those who are experiencing grief to come together in a meaningful way that allows for the expression of our grief. Every ceremony is as unique as the individual whose life we are celebrating. Some ceremonies may have rich traditions that incorporate religious or spiritual elements. Other ceremonies may be very simple and only have a few components. *The important thing is that grief shared is grief diminished* and ceremony's that allow for people to mourn together can greatly support our path to acceptance.
