**WITH RON, WE TRUST
CATHOLIC EDUCATION**

Reference letters provide a personalized endorsement of a candidate's skills, character and work ethic. They help validate claims by providing crucial context to skill sets and character in ways a resume cannot. Here is what others have to say about Ron:

"Seldom have I met someone so gifted in management and organizational development for Catholic education. Ron Baier is service-oriented, and not at all one to put himself above the group or the organization's needs. He knows the work of trustees deeply and well, having done fine work in advanced academic study on planning, which would have particular application to the work of trustee. I have seen his leadership skills in action and seldom have I known a leader with greater efficacy. Ron Baier brings a level of quiet yet deeply engaged and highly sensitive leadership, one that promotes personal and organizational development. I have repeatedly seen him do this within the entire Board and staff of the Western Catholic Reporter, and I know he has done this extensively in his other work as a professional educator and trustee. Ron Baier deepens the effectiveness of the organizations he serves, developing leadership capacity and morale among all he encounters. Ron knows how to make and carry out hard decisions — with the vision of both the greater good and the person affected. He is attentive to the group and able to engage easily. He is a strategic thinker and fine long term planner."

— Bryan T. Froehle, Professor,
St. Thomas University

Ron is a leader for our children, our teachers, our community, for the present and the future. If children could vote, they would vote for:

FOR TODAY'S BIRTHDAY

You can work well with others or on your own, although you thrive in partnerships and connections that embody the true spirit of teamwork and cooperation. Still, there's a rebellious streak within you that refuses groupthink. You have a mind of your own and base your decisions on logic. However, you possess the power to influence what others might think because of your charm and negotiating skills. This year, it may be necessary to challenge and change the beliefs that are hindering your growth. Get a fresh perspective.

The **Recycling Roundup** is an opportunity for residents to responsibly dispose of a variety of materials, ensuring they are handled safely and sustainably.

Every household uses products in their home and garden that contain harmful chemicals. Any container that cautions about careful use of the product or disposal of the container should be included in the Hazardous Waste Round-Up.

Materials brought to the Roundup should be kept in their original containers. Broken or cracked containers should be placed inside leak-proof packages and labelled. Jars or cans of unidentified chemicals can also be disposed of—simply take them to the Roundup and tell a staff member that you are unsure of the contents.

The following items will be accepted, however to reduce program costs, the preferred recycling locations are:

- Paint at the **Landfill or Recycling Depot**
- Used Oil, Containers, and Filters at the **Landfill**
