Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

The confidence you exude can help you command the spotlight and unlock opportunities.

TAURUS (April 20 to May 20)

Use today to get work done around the house. If there's a concern that's related to your family, it's time to address this, too.

GEMINI (May 21 to June 20)

You can make strides with a long-term project or goal. Think about people who can help you secure resources that will get you to the finish line.

CANCER (June 21 to July 22)

Today is most productive for doing anything that helps you to grow or sustain your income, like applying for a new job, raising your rates, or having necessary talks about money.

LEO (July 23 to Aug. 22)

Hard work and self-determination will get you where you want to be. Keep at it!

VIRGO (Aug. 23 to Sept. 22)

You may need to take some space from people so you can spend a little more time on yourself or do something that's just for you.

LIBRA (Sept. 23 to Oct. 22)

If there's a need to have a serious talk with a friend or discuss the future with your partner, you've got the cosmic go-ahead to initiate the conversation!

SCORPIO (Oct. 23 to Nov. 21)

There may be an opportunity for you to take the lead on a job or step into a management role. You could make a positive impact with your expertise.

SAGITTARIUS (Nov. 22 to Dec. 21)

This can be a fruitful time for deepening your relationship with your creativity, either for work or play.

CAPRICORN (Dec. 22 to Jan. 19)

Sometimes it's necessary to confront the past so that you can move on from it fully.

AQUARIUS (Jan. 20 to Feb. 18)

Being clear with others about what you can and can't do for them helps to set realistic expectations for everyone. It also helps to alleviate your stress.

PISCES (Feb. 19 to March 20)

If you want to improve your health and wellness or implement a new routine, start today.

FOR TODAY'S BIRTHDAY

You put much care and thought into your work, as well as your decisions. You leave nothing to chance, and you avoid taking unnecessary risks. However, you're versatile and resourceful enough to find solutions if things don't go exactly as planned. When you put your brainpower to good use, you can achieve almost anything. This year, you might find yourself wanting to reconnect with your roots or your family history. Take this as an opportunity to identify which patterns you want to break and which traditions you want to keep.

BIRTHDATE OF: Naomi Osaka, professional tennis player; Flea, musician/actor; Tim Robbins, actor/director.
