## ARIES (March 21 to April 19)

Doing something kind or thoughtful for someone you love, like buying them dinner or cooking them a meal, is a wonderful way to show you care.

## FOR TODAY'S BIRTHDAY

You need to be free to be yourself. This is why you do best in relationships with people who appreciate your independence. When you're not busy entertaining friends and meeting new people, you're hard at work on your next goal or idea. Offering guidance to others is also something that you do well. As a result, you might often find yourself in leadership or advisory roles not only because you're competent and capable, but also because you have a way of bringing out the best in others. This year, expect to be reminded of just how powerful you really are.

# IMAGINE. EXPERIENCE. CELEBRATE.

Three works, three worlds, one unforgettable evening. Experience the evolution of Canadian ballet.

The Cowboy Act Suite and Other Works program features a stunning lineup of signature works from Ballet Kelowna's contemporary ballet repertoire. With Cameron sinkwə Fraser-Monroe's compelling taqəš, Guillaume Côté's mesmerizing Bolero, and Fraser-Monroe's satirical The Cowboy Act Suite, this high-energy program promises to please a wide range of spectators.

Cameron sinkwə Fraser-Monroe brings his classical ballet training, knowledge of traditional Coast Salish, Grass, and Hoop Dance, and experience as a contemporary dancer to taqəš[tawKESH], which means "to return something" in Ayajuthem, the language belonging to the Homalco, Klahoose, K'omoks, and Tla'amin Nations. Set to several songs by Polaris Prize-winning composer and singer Jeremy Dutcher, taqəš follows the traditional story "Raven Returns the Water," centred around poho (raven) and walθ (frog).

Next, former National Ballet of Canada Choreographic Associate Guillaume Côté brings strength and fragility to a fascinating interpretation of the beloved Boléro by Maurice Ravel, one of music's most famous and identifiable melodies. A "riveting tour de force" (Dance Magazine), Bolero features breathtaking lifts and virtuosic choreography.

Rounding out the program, Cameron sinkwə Fraser-Monroe's The Cowboy Act Suite is a work that explores the dichotomy between "Cowboys and Indians." While these caricatures have been portrayed on pages, stages, and in films, they are often penned from a colonial perspective. Fraser-Monroe's intuitive take on the swashbuckling strut of the Cowboy informs this intellectual unpacking of a one-sided lens and flips the script to ask, what happens when an Indian directs the Cowboys through their history?

"Ballet Kelowna stands as a significant representation of the profound artistic excellence within our province." - *BC Live Performance Network*

"[The start of taqəš] with the water sounds and amazing bodies rolling like a waterfall was so stirring and emotional to see. The dancers are amazing, so talented, close to each other, and trusting. I don't think I can say enough to express how moving and enjoyable the whole production was." - *Attendee on taqəš*

## With Ron we Trust Catholic Education!

WOULD YOU HIRE SOMEONE WITHOUT EXAMINING THEIR RESUME?

In this election you are hiring an employee; the person you elect is responsible and accountable to YOU the electorate!

Employers want to see a demonstration of hard skills: knowledge and abilities gained through education, training, hands-on experience and soft skills: critical thinking and analysis, creativity, reasoning and problem solving, effective communication, and resilience that align with the job description.

First and foremost, does the candidate have a comprehensive experience in education and a clear, concise knowledge and understanding of the demands of the classroom on any given day? One has to wonder: How can you have the authority to make essential decisions without this? You cannot give what you do not have.

Does the candidate demonstrate relevance, achievements, related work experience, leadership, critical thinking and analysis, creativity, reasoning and problem solving, effective communication, and resilience?

1. Relevance – The resume's content must directly address the requirements of the job.
2. Achievements – Not just listing duties but accomplishments and quantifiable results from previous roles.
3. Work Experience – Clear history of professional background.
4. Financial Literacy – Able to understand financial statements and ask critical questions on resource allocation and oversee multi-million dollar budgets.
5. Legal Knowledge – Know and understand the Education Act
6. Awards – Tangible proof of skills and accomplishments and recognition of work and dedication, as well as expertise, which highlight key soft skills such as leadership, teamwork and reliability.
7. Passion – Demonstrates authenticity, drive, commitment, and long-term interest.

### "MY LIFE IS MY RESUME"

My entire life has been devoted, not just to education but the importance of faith-based education. I have specific examples in each of the aforementioned areas demonstrating my passion for Catholic Education, integrity, and courage to make principled decisions in the best interest of students, even when facing political pressure or disagreement. While I was a principal, the sign on my office door stated, "If it is for the good of the children, the answer is YES."

Please feel free to contact me to discuss the specifics of the contents of my resume.  
ronbaier1@gmail.com or phone 780-608-8458. I would be glad to discuss my passion for Catholic education with you.

Ron is a leader for our children, our teachers, our community, for the present and the future. If children could vote, they would vote for

# WEBER FUNERAL HOME

#2 Mount Pleasant Drive, Camrose, Alberta

Happiness shared is happiness  
increased. Grief shared is  
grief diminished.

A major purpose of having a funeral  
service is to allow a specific time and  
place for the community to gather  
and share, thereby allowing the  
family to receive the support of the  
community.

Our on-site reception centre is a  
multipurpose facility that allows for  
gatherings of any kind, whether  
formal or casual.
