AUGUST 14, 2026

Wanted out of Edmonton

While conducting proactive patrol, police noted a 33-year-old female subject (known to police) driving a vehicle near a local grocery store. Police record checks revealed the female had an outstanding warrant from Edmonton Police Service (EPS) for theft. Police conducted a traffic stop on the vehicle and the female operator of the vehicle was arrested. The 28-year-old male passenger also had an outstanding warrant from EPS for theft and was also arrested. Both have extensive criminal histories and are associated with the sale and use of illegal drugs.

Impaired driving

While conducting proactive patrols, police noticed a vehicle with a burned-out head lamp driving in the downtown area. Police conducted a traffic stop on the vehicle and suspected the 51-year-old operator of the vehicle was impaired by alcohol. The male was requested to provide a breath sample on an approved screening device, which resulted in a "fail". The male was issued an Immediate Roadside Sanction fail, issued traffic violation tickets and the vehicle was seized and towed.

49 YEARS OF SERVICE

Morning Giggle

I took four tires to a friend's garage sale and was asking \$100 a piece. I needed to step away for a bit so I asked him to watch them for me.

"Sure," he said, "but just in case someone offers less, how low are you willing to go?"

"Try for more, but I will accept \$80 each," I said, and left.

When I returned, my tires were gone. "How much did you get for them?" I asked excitedly.

"Eighty dollars each."

"Who bought them?"

"I did!"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

You might be feeling noticeably irritated. Redirecting your energy toward something constructive can lift a bad mood.

TAURUS (April 20 to May 20)

It could be easy to find the negative in everything today. Try focusing more on the positive and what's in your control.

GEMINI (May 21 to June 20)

Hold off on making major financial decisions now. You may need to gather more information first.

CANCER (June 21 to July 22)

If a problem arises, a cool, levelheaded approach will work best for resolving it.

LEO (July 23 to Aug. 22)

Your usual enthusiasm might be missing right now, but the thing to remember is that all isn't lost or as bad as it seems. You just need a break!

VIRGO (Aug. 23 to Sept. 22)

You don't always have to be the one offering advice or guidance to others. Sometimes it's OK to let people figure things out for themselves.

LIBRA (Sept. 23 to Oct. 22)

A lack of support from someone could put a damper on your plans. Maybe it's best to keep these plans under wraps for now.

SCORPIO (Oct. 23 to Nov. 21)

Are you being unrealistic about how much you can accomplish? You might need to give yourself more time or enlist help.

SAGITTARIUS (Nov. 22 to Dec. 21)

The longer you put things off, the more they'll pile up. It's better to do what you can now so that you're not left with a mess later.

CAPRICORN (Dec. 22 to Jan. 19)

Instead of holding your feelings in why not be honest and say something? You could end up getting exactly what you need.

AQUARIUS (Jan. 20 to Feb. 18)

A plan or project might not be coming together the way that you want it to. Rather than pressing on with it, take a beat and try something different.

PISCES (Feb. 19 to March 20)

There are times when even you can be too stubborn, and today could be one of them. Consider another option or point of view.

FOR TODAY'S BIRTHDAY

You put a lot of time and care into what you do, especially if it's your craft or passion. Your devotion and dedication set you apart from the rest. You sweat the small stuff because you know that if it goes ignored or overlooked, it could create big problems. You may not be overtly sappy or sentimental, but you care a great deal about others, whether it's your friends and family or the people within your community. This year, you're encouraged to break out of your usual routine. Embrace travel, adventure and hope!

THE MORNING BITE

Feta Pasta

Greek Pasta Recipe with sauce made out of feta, stock, cream cheese and other ingredients. Uses mixed spice for special flavour, and is a great dinner or mid-day meal.

Prep time: 15-30 min

Cook time: 25-30 min

Serves Around 3 People. You can scale up to 4 If you increase most quantities by +1/4.

Ingredients

Medium Sweet Onion (Finely Chopped)
Virgin olive oil (not extra-virgin)
White Sugar
3 Fresh Medium Garlic Cloves (Chopped Fine)
15-20 Kalamon/Kalamata Olives (Cut into thirds)
Whole small zucchini (Cut to small pieces)
6 Medium Mushrooms (Cut smallish and small stalk)
1/2 Broccoli (Chopped small)
8-10 Finely sliced cherry tomatoes
1/2 Block of feta (Washed)
1 Chicken stock (Added to 3/4 Mug boiling water)
Overfilled Teaspoon Mixed Spice
3/4 Bowls fusilli pasta
Overfilled tablespoon Creme Cheese
1/3 Mug whole milk

Directions

Make sure to prepare & chop most ingredients before you start.

Get a small deepish pan and heat it to low-medium temperature. Add a good amount of virgin olive oil and place one of the small onion pieces into the pan. Wait until it starts to sizzle and add the rest of the onion. Mix well and make sure the temperature is not too high as it can damage ingredients. Optional: You can sprinkle some sugar over the onion to make it sweeter. Then after a few minutes, when the onion has browned/softened, add in the garlic and wait 1-2 minutes, then you can turn off heat and put it to the side for later.

Get a medium-large sized deepish pan, heat with oil and then add in the olives, courgettes and mushrooms. Sprinkle salt every now and then to enhance taste. After a few minutes when they are soft and are around the same color, then add in the onion and garlic from the smaller pan.

Wait a couple minutes and then add the broccoli and tomato slices to the mix. Wait 2-3 more minutes and then get your rinsed feta and melt it in the pan (chop to speed up).

Start cooking the pasta.

When the feta has nearly finished melting, add in the stock to the mix. Turn the pan temperature down slightly and then let it bubble for 5 mins (add a timer). Make sure to add the cover to the pan to keep in the flavor.

After the 5 mins timer is up, add the overfilled tablespoon creme cheese to the main mix, stir, then re-add lid. Wait 2-3 more minutes and then you can test the sauce if you want. If you feel there is some missing, add more mixed spice or herbs such as parsley to it.

Turn down the main mix again slightly and add the 1/3 Mug of Whole milk to the mix.

Strain and serve your pasta and cover with the sauce. Enjoy!
