together.**

From September 8 to October 18, 2025, save up to 25% instantly on select tires at all Fountain Tire locations. Plus, purchase a set of four identical, eligible Goodyear tires during this period and qualify for up to an additional \$125 in a manufacturer's mail-in rebate. To receive the rebate, consumers must submit a copy of their invoice and the rebate form to the mailing address listed on the form or through the manufacturer's rebate website by the deadline specified by the manufacturer. Rebates are valid at all Fountain Tire locations and apply to Fountain Tire's Every Day Price (\$100). This is a consumer rebate only and does not apply to business customers, Goodyear National Accounts, or Fountain Tire CFA Elite Accounts. Inventory may vary by location. Mail-in Service rebate: A minimum qualifying service purchase is required. Spend \$150 or more on qualifying services including tire installation, tire storage, parts, and labor to receive a \$50 rebate. This service purchase must be made along with the purchase of a set of four qualifying Goodyear tires between September 8, 2025 and December 31, 2025, and only at participating Canadian Goodyear Tire & Service Network retailers. These offers are open to Canadian residents with a valid Canadian mailing address. Tire purchases, shop supplies, disposal fees, and taxes are excluded from this offer. Cannot be combined with other Goodyear service offers. All applicable taxes (e.g., GST, PST, HST, and tire taxes) are extra. Visit a Fountain Tire location or fountaintire.com for complete promotion details, including eligible tires. Fountain Tire is licensed by AMVIC in Alberta.

In a grammar lesson in eighth grade Sister Joan said, “Frank, give me a sentence with a direct object.”

Frank replied, “Everyone thinks you are the best teacher in the school.”

“Thank you, Frank,” responded Sister Joan, “but what is the object?”

“To get the best grade possible,” said Frank.

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Pick and choose your battles today as some fights just aren't worth it. Focus your energy on more constructive tasks and conversations.

TAURUS (April 20 to May 20)

Beware of electing yourself as the person to save the day. Put the cape away and redirect your energy toward something you enjoy.

GEMINI (May 21 to June 20)

There may be people who are threatened by your success, but this is none of your concern, especially if they don't know how hard you've worked.

CANCER (June 21 to July 22)

Don't wait to be recognized or appreciated. Speak up for what you want. Acknowledge your achievements out loud.

LEO (July 23 to Aug. 22)

You have the power to manifest what you want. Don't allow fear and worry to tell you otherwise.

VIRGO (Aug. 23 to Sept. 22)

Why insist on doing it all on your own when there's people in your orbit who can help you? Start asking around.

LIBRA (Sept. 23 to Oct. 22)

It may be useful to sequester yourself away from as many people as possible so that you can accomplish what you need to do without any distractions.

SCORPIO (Oct. 23 to Nov. 21)

You may be frustrated that you're not moving as quickly as you'd like with your goals. However, the decrease in your bandwidth means that more time is needed.

SAGITTARIUS (Nov. 22 to Dec. 21)

Avoid chasing the excitement of new projects. Work on finishing what you've already started, even if it feels boring.

CAPRICORN (Dec. 22 to Jan. 19)

You can't always be right. Sometimes it's necessary to consider other people's points of view.

AQUARIUS (Jan. 20 to Feb. 18)

Consider ways you can free up your schedule so that you can devote time to the things you really want to do.

PISCES (Feb. 19 to March 20)

Don't hide yourself. People will appreciate your bold self-expression.

FOR TODAY'S BIRTHDAY

You're driven by ambition and an appreciation for the finer things in life. However, you never rush your progress. You meticulously pursue your goals with the help of planning and purpose. Whatever you build, whether it's a career or a relationship, you build it to last. You create strong foundations in your life that enable you to remain unshaken in the face of a challenge. You're no pushover, but you are kind-hearted and thoughtful. This year, the love you've shown to others will be returned tenfold to you. There are people who want to help you succeed.

A simple maple mustard glaze jazzes up cedar-planked barbecued salmon

Diane Rossen Worthington

This is one of my favorite fish entrees that is easy and tasty. Originally, I thought this was complicated, but it turns out it couldn't be easier. I have made this for my husband and myself and when I want to do a small dinner party.

Make sure you use cedar wood planks, which you can find on Amazon and at home stores like Home Depot. The planks need to be soaked in water so they do not burn. I usually do it for a couple of hours before cooking. You can soak them in a large dish or in the sink with a stopper with weights to keep them submerged.

I love the simple, savory-sweet glaze that accentuates the mild salmon flavor. I've learned not to overcook the salmon by taking it off the grill when an instant read thermometer reads between 130 F and 135 F. This will ensure that the salmon is moist and flavorful. You can easily double the recipe. If tomato season is still around, serve with sliced tomatoes and burrata or seared green beans and sugar snap peas. I like a robust sauvignon blanc or pinot noir to accompany this dish.

Cedar-Planked Barbecued Salmon with Maple Mustard Glaze (Serves 4)

2 cedar wood planks
2 (1 pound) fresh salmon fillets, cut from center section,
about 1-inch thickness

For the glaze:

3 tablespoons whole grain Dijon mustard
1 1/2 tablespoons maple syrup
Salt and black pepper, to taste

1. Submerge the cedar planks completely underwater for at least an hour and up to 4 hours. I use heavy weights, cans or pans to make sure the planks are completely submerged
2. Make the glaze by mixing together the mustard, syrup, salt and pepper and taste for seasoning. Set aside
3. When ready to cook, heat the gas barbecue to 350 F. When it reaches 350 F remove the planks from the water and dry with a paper towel.
4. Place the fillets on the planks and brush the glaze evenly on the salmon fillets. Place the salmon planks on the grill and close the lid. Cook for 18 to 20 minutes, or until the salmon is just opaque throughout and flakes easily with a fork. The exact time will vary based on the thickness of your fillets and an instant read thermometer reading 130 F to 135 F.
5. Remove the planks from the heat with a large spatula to a heatproof surface. Let rest 3 minutes. Cut each fillet in half and serve on individual dinner plates.
