The investigation remains active.

Public Intoxication

At approximately 7:45 pm reports were received of an intoxicated male outside a local liquor store. Police arrested the 56-year-old male for public intoxication and lodged him in Camrose Police Service cells until sober. He was later released without incident.

Outstanding Warrant

SEPTEMBER 9, 2026

Public Intoxication

At approximately 11:15 p.m., police received several calls regarding a male in Duggan Park pond near 69 Street and 42 Avenue requesting assistance. Officers located the 31-year-old male, who appeared to be impaired by drugs. Emergency Medical Services attended, assessed the individual, and transported him to a relative's residence.

At approximately 9:00 p.m., police conducted a traffic stop after observing a vehicle displaying a mismatched licence plate. Investigation revealed the vehicle was uninsured and unregistered. The 27-year-old driver was charged with several offences, including operating an unregistered and uninsured motor vehicle, misuse of plate and suspended driving. The vehicle was towed from scene.

The person sitting next to me on a flight was a woman. Ever the charmer, I used one of my pick-up lines on her.

I asked, “Does the airline charge you extra for sitting next to good-looking men?”

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

A little flexibility or compromise can help ensure that everyone gets what they want -- including you!

TAURUS (April 20 to May 20)

Are you making a minor problem bigger than what it really is? You might find it's not that important after all.

GEMINI (May 21 to June 20)

Confidence is the key to your success today. Don't second-guess yourself.

CANCER (June 21 to July 22)

Try not to take what others say or do personally. Their issues probably have very little to do with you.

LEO (July 23 to Aug. 22)

You might be under a lot of pressure. Calling on a friend or two could help, as well as choosing which responsibilities you take on.

VIRGO (Aug. 23 to Sept. 22)

Your ingenuity and willingness to step outside your comfort zone will help you conquer any challenges that you encounter.

LIBRA (Sept. 23 to Oct. 22)

Embrace your individuality. Your unique perspective will open doors that others may overlook.

SCORPIO (Oct. 23 to Nov. 21)

If a plan or project isn't coming together, maybe you should call it quits for now and try again at a later date. There's no sense in forcing the issue.

SAGITTARIUS (Nov. 22 to Dec. 21)

Before you take on a problem that's not your own, first consider if you're the best person to fix it.

CAPRICORN (Dec. 22 to Jan. 19)

Be mindful of looking to others for approval or validation. Just focus on doing what you do best and take satisfaction from it.

AQUARIUS (Jan. 20 to Feb. 18)

Avoid getting roped into unnecessary drama, especially if it concerns family. It might help to distance yourself today.

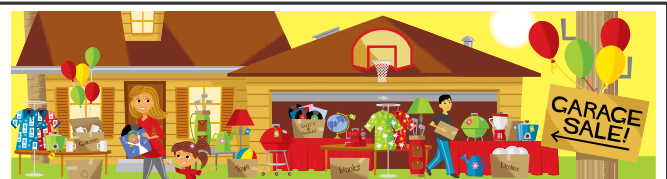

PISCES (Feb. 19 to March 20)

Try not to overthink things right now. Trust your instincts instead.

FOR TODAY'S BIRTHDAY

You have a pleasant and outgoing personality, but you'll quickly go cold with anyone who crosses a line with you. You believe in treating others fairly, but you won't put up with carelessness or disrespect. When it comes to decision-making, some may say that you're indecisive. However, you're not the type who rushes into judgement or jumps headfirst into a situation. You prefer to weigh your options instead. This year, there may be choices to make concerning your future. Rather than overthinking each step or outcome, shore up your courage and take a leap of faith!

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Don't Take Any Lip!

Nasty! Not only has your approach shot landed in a greenside bunker, but it plugged itself against the back lip of the bunker. You would need to swing straight up-and-down to get your clubhead to enter the sand behind the ball. Even then, you risk catching the back lip on the way down, so you end up leaving the ball in the bunker or even worse.

In cases like this, take an alternate **"escape route."** Don't even think of shooting for the flag.

Aim away so you can avoid the back lip and swing in the sand at a normal angle. Aim toward the front of the green or the fairway in front of it. Then play a long putt or chip shot from there. If you can get down in a total of 3, you've done as well as you can from this tough spot.

DATES

October 2, 2026 from 3:00pm - 7:00pm

The **Recycling Roundup** is an opportunity for residents to responsibly dispose of a variety of materials, ensuring they are handled safely and sustainably.

Every household uses products in their home and garden that contain harmful chemicals. Any container that cautions about careful use of the product or disposal of the container should be included in the Beyond-The-Bin Recycling Roundup.

Materials brought to the Roundup should be kept in their original containers. Broken or cracked containers should be placed inside leak-proof packages and labelled. Jars or cans of unidentified chemicals can also be disposed of—simply take them to the Roundup and tell a staff member that you are unsure of the contents.

The following items will be accepted, however to reduce program costs, the preferred recycling locations are:

- Paint at the **Landfill or Recycling Depot**
- Used Oil, Containers, and Filters at the **Landfill**

Understanding Grief...

Grief is a normal but sometimes overwhelming *emotion*. It is a response to the loss of someone or something that we have formed relationship or a bond with. There are many dimensions to this emotion that have impacts on our physical body, our cognitive functions, social interactions, and our spirituality. It is normal to find yourself feeling numb and removed from daily life, unable to carry on with regular duties while saddled with the sense of loss. Grief is both a universal and a personal experience. Individual experiences of grief vary and are influenced by the nature of the loss.

Experts advise those grieving to realize they can't control the process and to prepare for varying stages of grief. Understanding why you're suffering can help, as can talking to others and trying to resolve issues that cause significant emotional pain.

Mourning is the expression of *grief*, occurring as a result of someone's death. It is a personal and a collective response which can vary depending on the contexts of the relationships we have.

Ceremony is a unified ritualistic event with a purpose, usually consisting of a number of human expressions such as music, spoken word, poetry, or other artistic components. The purpose of a funeral ceremony is for those who are experiencing grief to come together in a meaningful way that allows for the expression of our grief. Every ceremony is as unique as the individual whose life we are celebrating. Some ceremonies may have rich traditions that incorporate religious or spiritual elements. Other ceremonies may be very simple and only have a few components. *The important thing is that grief shared is grief diminished* and ceremony's that allow for people to mourn together can greatly support our path to acceptance.
