Morning Giggle

Pregnant with my third child, I was stricken with a bout of morning sickness and lay down on the living-room couch to rest. Just then one of the workmen who was doing repairs in my house walked by and gave me a curious look.

"Taking a little break," I explained. "I'm in my first trimester."

"Really?" he said. "What's your major?"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Plans might not go according to schedule, but this could turn out to be a blessing in disguise.

TAURUS (April 20 to May 20)

When considering an offer or weighing out different options, it should either be a strong "yes" or a strong "no." Let your heart decide.

GEMINI (May 21 to June 20)

Don't try to cram too much into your schedule. Sometimes it's better to put things off for another day.

CANCER (June 21 to July 22)

It could be easy to overthink things today. Keeping yourself focused on what you're able to control can help alleviate your worries.

LEO (July 23 to Aug. 22)

You can be very generous with others, but you may need to put some limits on what you give so that you don't end up overextending yourself.

VIRGO (Aug. 23 to Sept. 22)

Don't feel pressured to make a big commitment or decision. You need more time to think about it.

LIBRA (Sept. 23 to Oct. 22)

You're not as alone as it might seem right now. You've still got people in your corner.

SCORPIO (Oct. 23 to Nov. 21)

You may not like being vulnerable with others, but this is exactly what's needed to get things done.

SAGITTARIUS (Nov. 22 to Dec. 21)

Maybe it's time to delegate a few tasks or responsibilities so that you have enough time to pursue other projects.

CAPRICORN (Dec. 22 to Jan. 19)

Now may not be a good time to start a new project or goal. You probably have more than enough work to do anyways.

AQUARIUS (Jan. 20 to Feb. 18)

Don't allow anything or anyone to steal your joy. Being in the company of cheerful and positive people could be good for your mental health.

PISCES (Feb. 19 to March 20)

You need a break from the world. Spend some time in your own little bubble.

FOR TODAY'S BIRTHDAY

People usually trust you because you keep your promises and follow your words up with action. You're straightforward in your approach, and you tend to tell it like it is, regardless of how others might feel. When it comes to making a choice between your head and your heart, you most often follow your head. However, your heart won't lead you astray if you recognize that it wants what's best for you, too. This year, with a spotlight on your aspirations, pay attention to what it is that you really want -- not other people's expectations of you.

Morning FORE!

Today's Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

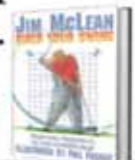

We've seen some big divots out there! However, you'll get the best results if you take a shallow rather than a deep divot.

**Don't
Be a
Divot
Diva!**

The best iron players "nip" their shots off the turf, not driving down hard into the ball. When an iron clubhead descends on a shallow angle into the ball, the contact is more square, which gives you a more consistent trajectory and more distance. It also reduces the chance of hitting a weak shot that comes up short. A good image to have in your head is that you're swinging with a broom, and your goal is to brush the ball away as if you were sweeping some debris. Try it, you'll find more consistent, more precise ball striking, producing more accurate shots with increased distance.

Why a Funeral?

Funeral ceremonies can make a significant difference in how families channel their grief towards health and healing. During the funeral, the community comes together and responds to the reality that someone has died, and also to the reality that those remaining will need support, compassion, love, hope and understanding.

Our dedicated and experienced staff are here to help you in planning and carrying out a meaningful funeral that is unique to your families needs and values. Our funeral directors are intimately familiar with the funeral planning process, and key decisions a grieving family must make during this difficult time.
