Fountain Tire

We're on this road together.

From September 14 to October 24, 2026, save up to 25% instantly on select tires at all Fountain Tire locations. Additional manufacturer's mail-in rebates may apply, as follows: Purchase a set of four qualifying identical Goodyear tires between September 7, 2026, and December 20, 2026, to qualify for up to an additional \$125 manufacturer's mail-in rebate, or purchase a set of four qualifying identical Cooper tires between October 1, 2026, and November 30, 2026, to qualify for up to an additional \$70 manufacturer's mail-in rebate. To receive the rebate, consumers must submit a copy of their invoice and the rebate form to the mailing address listed on the form or through the manufacturer's rebate website by the deadline specified by the manufacturer. Rebates are valid at all Fountain Tire locations and apply to Fountain Tire's Every Day Price (EDP). This is a consumer rebate only and does not apply to business customers, Goodyear National Accounts, or Fountain Tire CPA Elite Accounts. Inventory may vary by location. **Mail-In Service Rebate:** A minimum service purchase of \$150 or more on qualifying services, including tire installation, tire storage, parts, and labour, is required to receive a \$75 rebate. These mail-in rebates are open to Canadian residents with a valid Canadian mailing address. Tire purchases, shop supplies, disposal fees, and taxes are excluded from the service rebate offer. Cannot be combined with other Goodyear service offers. All applicable taxes (e.g., GST, PST, HST, and tire taxes) are extra. Visit a Fountain Tire location or fountaintire.com for complete promotion details, including qualifying tires. Fountain Tire is licensed by AMVIC in Alberta.

Morning Giggle

A teenage boy with spiked hair, nose ring, and baggy clothes was overheard telling a friend, "I don't really like to dress like this."

"Then why do you?" asked the friend.

"It keeps my parents from dragging me everywhere with them."

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

INCOMING!

One of the most inconsiderate breaches of golf etiquette is hitting into the group ahead of you. Most importantly, this is a major safety issue. If you have any doubt about whether the players in the group ahead of you are out of range of your shots, you must err on the side of caution and **wait!** This type of egregious incident happens most often when someone is teeing off, and the group ahead of them are down the fairway. Sometimes it's hard to judge how far away the next group is and how far your drive may travel. And yes, you might have some slowpokes or inconsiderate, rude golfers ahead of you, but keep your cool and do the right thing.

It's a beautiful day to be out golfing!

Understanding Grief...

Grief is a normal but sometimes overwhelming *emotion*. It is a response to the loss of someone or something that we have formed relationship or a bond with. There are many dimensions to this emotion that have impacts on our physical body, our cognitive functions, social interactions, and our spirituality. It is normal to find yourself feeling numb and removed from daily life, unable to carry on with regular duties while saddled with the sense of loss. Grief is both a universal and a personal experience. Individual experiences of grief vary and are influenced by the nature of the loss.

Experts advise those grieving to realize they can't control the process and to prepare for varying stages of grief. Understanding why you're suffering can help, as can talking to others and trying to resolve issues that cause significant emotional pain.

Mourning is the expression of *grief*, occurring as a result of someone's death. It is a personal and a collective response which can vary depending on the contexts of the relationships we have.

Ceremony is a unified ritualistic event with a purpose, usually consisting of a number of human expressions such as music, spoken word, poetry, or other artistic components. The purpose of a funeral ceremony is for those who are experiencing grief to come together in a meaningful way that allows for the expression of our grief. Every ceremony is as unique as the individual whose life we are celebrating. Some ceremonies may have rich traditions that incorporate religious or spiritual elements. Other ceremonies may be very simple and only have a few components. *The important thing is that grief shared is grief diminished* and ceremony's that allow for people to mourn together can greatly support our path to acceptance.
